

**Lake Price Advisory Board  
Regular Meeting  
East Lake Elementary School  
3971 North Tanner Road, Orlando, FL 32826  
April 25, 2018**

---

**Board Members Present:** Bob Marant, Bill Price, Jim Hand, Lee Lacy (Chairman), Donna DeGregory  
**Board Members Absent:** Jay Dempsey (Vice Chair), Alan Jones  
**Staff:** Bryce Edwards, Orange County Environmental Protection Division (EPD)  
**Residents:** Linda Potkovic

---

**I. Call to Order**

With a quorum present, Lee Lacy called the meeting of the Lake Price Advisory Board (Advisory Board) to order at 6:30 p.m.

**II. Public Comments on Propositions Before the Advisory Board**

No public comments were made.

**III. Approval of May 31, 2017 Meeting Minutes**

Minutes were unable to be approved since no copies of them were available. The item was tabled until the next meeting.

**IV. EPD Report**

**A. Aquatic Plant Management Update**

Bryce Edwards discussed the recent survey with all present. *Hydrilla* has been well controlled over the past several surveys. No treatments are necessary at this time.

**B. Pond Planting Project**

Bryce Edwards reported on the pond planting project and damage caused by the hurricane. Additional minor expenses are expected as the new plants establish.

**C. Special Projects**

All present discussed future projects around the lake including Backyard BMPs, shoreline planting projects, and enhanced water quality sampling to monitor the effectiveness of the new pond and piping recently installed.

By consensus, with Jay Dempsey and Alan Jones being absent, the Advisory Board requested a quote for water quality sampling to evaluate the effectiveness of the new pond and piping system.

**V. Non-Agenda Items**

Lee Lacy requested that the vegetation in front of the stormwater overflow pipe near his home not be cleared as part of routine maintenance. The last time the pipe was maintained, Mr. Lacy had to advocate for the native plants which were protecting the shoreline from erosion caused by the stormwater pipe.

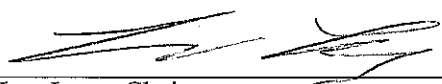

Bill Price requested that the outfall from Lake Price be inspected for safety prior to the start of hurricane season.

**VI. Next Meeting**

June 20, 2018 at 6:30 p.m in the East Lake Elementary Cafeteria.

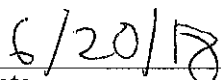

**VII. Meeting Adjourned**

Lee Lacy adjourned the meeting at 7:21 p.m.
