With a quorum present, Chair Lionel Robbins called the meeting of the Lake Holden Advisory Board (Advisory Board) to order at 5:30 p.m.

**II. Approval of the September 19, 2018 Meeting Minutes:**

**Upon a Motion by Mike Powell, seconded by Rick Richbourg, and carried with all present members voting AYE by voice vote, with Dana Kruetzfeldt being absent; the meeting minutes for September 19, 2018 were approved as submitted.**

**III. Public Comment:**

Chair Robbins opened the floor for public comment. Hearing no request, the public comment period was closed.

**IV. Environmental Protection Division (EPD) Report:**

**43<sup>rd</sup> Street Stormwater Pond Retrofit Analysis and Design**

Lee Mullen and Lillie Thomas from Geosyntec Consultants, Inc. were in attendance to update the Advisory Board on the results of the feasibility analysis. Lee Mullen introduced the project and Lillie Thomas gave a presentation on efforts and results to date. She reviewed the scope of services, hydraulic modeling, dredging evaluation, drainage and control structures, and cost versus benefit analysis. Discussion ensued. The next step will be the pre-application meeting between Geosyntec and the water management district.

**Aquatic Plant Management**

Melissa Lavigne reported that invasive aquatic plant treatments were performed by EPD staff on October 12 and 15, 2018. Treatment maps were distributed. Melissa Lavigne

also discussed the lake's hydrilla expansion and recommended the addition of triploid grass carp to help manage invasive plant growth in the lake. Discussion ensued including strong opposition to stocking fish in the lake. The topic was tabled.
