

DEVELOPER FORUM: INFILL, REDEVELOPMENT AND SCHOOL CAPACITY

MONDAY, MARCH 18, 2019
1:30PM - 3:30PM
RSVP: PLANNING@OCFL.NET

ORANGE COUNTY COMMISSION CHAMBERS
201 S. ROSALIND AVE
ORLANDO, FL 32801

Orange County is in the process of targeting certain infill and redevelopment areas. As part of that process we will be administratively rezoning certain areas of the County. As such, Orange County Government and Orange County Public Schools (OCPS) have worked together to develop a process to meet the requirements of school capacity for those administrative rezonings that will increase residential density.

Prior to adoption, we want to discuss that proposed process with the development community and get your feedback.

Join us at the Orange County Commission Chambers for a special Developer Forum hosted by Orange County's Development Advisory Board and OCPS.

Please RSVP by accepting the invitation or emailing planning@ocfl.net.
