CALL TO ORDER

Chairman Goff called the meeting to order at 3:06 p. m.

DISCUSSION OF RECOMMENDATIONS

Discussion of Committee member recommendations ensued. One suggestion discussed was that planning responsibility areas, like the agreements between OUC and the County/City, would greatly aid future planning. Consolidation of the 911 Communication Centers was discussed as was the "wall time" problem. The Committee asked that Orange County Fire Rescue provide their collection data on transports and that the Executive Director ask Dr. George Ralls, County Medical Director and Dr. Todd Husty, Medical Director for the Fire Departments

of Maitland, Winter Park and Seminole County, address the next meeting of the Committee.

FUTURE MEETINGS

The next Committee meeting will be scheduled at a future date and time to be determined.

ADJOURNMENT

The meeting was adjourned at 4:35 p. m.
