

Y15-114-SS

Orange County, Florida is interested in procuring a Contractor to provide installation, and provide 24x7 support for the hardware, software, and interfaces for our existing offender booking process.

- A. The equipment must be able to capture quality images of offenders as well as their belongings.
- B. The software must integrate seamlessly not only with our current offender management system, which is a proprietary product of GTL (DSI-ITI), but also our future offender management system, which is also a proprietary product of GTL.
- C. Contractor must have experience installing and configuring services in a Corrections environment.
- D. Contractor must be able to install the equipment and requisite software at seven locations as well as provide training within four days or less.
- E. The transition from our current offender booking process to the new vendor solution must be accomplished with no down-time.

To date, research within the industry has indicated to the County that this purchase is a sole source. Any Contractor that wishes to view the sole source documentation to determine if they can meet the County's requirements is invited to contact Perry Davis, Purchasing Agent by phone at (407) 836-5638 or by email at Perry.Davis@ocfl.net. This information will be available for review until **5:00PM, Thursday, September 3, 2015.**
