**A. BIDDERS QUESTIONS**

**Question 1:** Please provide a contact name and phone number for the agency who owns the street lighting for the SSA- ESA Water Main project. As stated in addendum #1 OUC is the owner, but when I contacted the OUC Development Services they informed me the lighting on this street does not belong to them. Please advise so we may price per the bid form requirements.

**Response:** *Contractors need to contact Duke Energy Construction Department at (866)-372-4663.*

**Question 2:** Addendum #1 addressed the issue of the light poles and having us coordinate with the power company (Orlando Utilities Corporation). Is there a contact person and phone number available so we can have an estimate for the project? Wouldn't the county be better served by waiving the fee for this item or provide an allowance?

**Response Part 1:** *See Response to Question 1 above.*

**Response Part 2:** *No, allowance will be done for the Bid.*
