B. Questions and Answers:

1. **Question** – Section 16010, Paragraph 1.01.C.2 of the electrical specifications tells us to include the power company service in our bid. Drawing sheet E-2, Hex Note #9 instructs us to coordinate the installation with Shawn Carrol of Duke Energy at 407-464-1235. There is no one at Duke Energy by that name or anyone that can verify the cost for this requirement. Please advise how to address this specification requirement?  
**Response** – The Duke Energy Engineer now in charge of this area is Scott Somner at 407-464-1203. Email address: [scott.somner@duke-energy.com](mailto:scott.somner@duke-energy.com)
