28. VOLUME OF WORK

The county shall evaluate information in its "Volume of Work" database to determine the Proposers' scores for the Volume of Work criteria. This information is available on-line at:

<http://www.orangecountyfl.net/VendorServices/VolumeofWorkReport.aspx>

**This database includes only the award amounts specifically attributable to the consultant, either as a prime or as a sub-consultant or as a member of a joint venture under previously awarded contracts, contract amendments, purchase orders, task authorizations, and change orders to those purchase orders and task authorizations. In the case of mergers between two or more firms or a parent subsidiary relationship the combined fee for all companies involved will be considered. Fees will be counted towards the Volume of Work at the time of award (not invoices paid). Total fees under negotiation are based on the budget amount for professional services. The end date for volume of work calculation is the date set for receipt of proposals.**

Volume of Work is calculated using the following formula:

CONTRACT PERIOD	TOTAL FEE AWARDED TO PRIME CONSULTANT		FACTOR	=	ADJUSTED FEE AMOUNT
(1) From October 1, 2013 to April 1, 2015	\$	X	1.0	=	\$
(2) First Year Past: 10/01/12- 9/30/13	\$	X	0.75	=	\$
(3) Second Year Past: 10/01/11- 09/30/12	\$	X	0.50	=	\$
(4) Third Year Past: 10/01/10-09/30/11	\$	X	0.25	=	\$
(5) Total Fees Under Negotiation	\$	X	0.90	=	\$
	TOTAL FEE CONSIDERED				\$

**Proposers are cautioned that they are responsible for confirming the accuracy of their volume of work data prior to the time and date set for receipt of proposals.**

Points will be awarded as follows:

Firms with no previous work with the County as a prime consultant or sub-consultant during the current fiscal year <u>and</u> previous fiscal years	<b>5 Points</b>
Firms with adjusted fees of \$1 through \$2,000,000	<b>4 Points</b>
Firms with adjusted fees of \$2,000,001 through \$3,000,000	<b>3 Points</b>
Firms with adjusted fees of \$3,000,001 through \$4,000,000	<b>2 Points</b>
Firms with adjusted fees of \$4,000,001 through \$5,000,000	<b>1 Point</b>
Firms with adjusted fees exceeding \$5,000,000	<b>0 Points</b>

When a Joint Venture submits a proposal, the volume of work awarded by the County to each Joint Venture firm will be multiplied by the percentage of participation in the Joint Venture by that firm and those adjusted figures totaled to determine the total dollar amount to be used in the category.

The following items are some of the important considerations for this solicitation:

- Odor control;
- Variable frequency drives and pump control;
- Proper hydraulic design of wetwell and pumping system;
- Adequate storm water drainage;
- Emergency access and pump out considerations;
- Continuous monitoring of bypass pumping during construction;
- Maintaining a consistent and customary level of service at all times; and
- Public acceptance of final installation.

**SPECIFIC ASSIGNMENTS**

The specific assignments to be performed by the consultant under this solicitation may include the following elements:

## **BACKGROUND**

Master pump station #3497 is located at 2710 Town Center Boulevard within the Hunter's Creek Community. It is currently operating as a triplex station with three 77 Hp submersible pumps, back-up generator, odor control and associated electrical system. The site area is approximately 4,500 square feet. The site is immediately adjacent to a golf course, retention pond, AT&T easement, and the right-of-way for a major throughway.

Master pump station #3499 is located at 2528 Tandori Circle within the Pepper Mill Community. It is operating as a triplex pump station with three 134 Hp submersible pumps, back-up generator, odor control and associated electrical system. The site area is approximately 7,000 square feet. The site is accessed by a narrow driveway between two single family residences and is in close proximity to a wetland.

Due to the overall deteriorating condition of these pump stations and the volume of wastewater they transmit to the South Water Reclamation Facility the design and construction of all necessary improvements to MPS#3497 and MPS#3499 have been identified as high priority to the Utility.

## **SCHEDULE**

A schedule for accomplishment of the Project shall be submitted that reflects the proposed elapsed time in days for completion of the preliminary engineering phase, the design phase, the bidding phase and the construction of the Project. The schedule shall identify and address accomplishment of each major milestone enumerated in the SCOPE OF WORK.

### **III DESIGN WITHIN FUNDING LIMITATIONS**

- A. The CONSULTANT shall accomplish the design services required under this Contract, when applicable, so as to permit the award of a contract (using standard Orange County procedures for the construction of the facilities) at a price that does not exceed the estimated construction contract price as set forth in paragraph C below. These additional services shall be performed at no increase in the price of this Contract.

However, the CONSULTANT shall not be required to perform such additional services at no cost to the COUNTY if the unfavorable bids or Proposals result from conditions beyond the CONSULTANT'S reasonable control. The COUNTY shall exercise reasonable commercial judgment in making the controlling determinations as to whether such conditions are within the reasonable control of the CONSULTANT.

- B. The CONSULTANT will promptly advise the COUNTY if it finds that the project being designed will exceed or is likely to exceed the funding limitations and it is unable to design a usable facility within these limitations. Upon receipt of such information, the COUNTY will review the CONSULTANT'S revised estimate of construction cost. The COUNTY may, if it determines that the estimated construction contract price set forth in this Contract is so low that award of a construction contract not in excess of such estimate is improbable, authorize a change in scope or materials as required to reduce the estimated construction cost to an amount within the estimated construction contract price set forth in paragraph C below, or the COUNTY may adjust such estimated construction contract price via amendment to this Contract. When bids or Proposals are not solicited or are unreasonably delayed, the COUNTY shall prepare an estimate of constructing the design submitted and such estimate shall be used in lieu of bids or Proposals to determine compliance with the funding limitation.
- C. The estimated construction contract price for the project described in this Contract is \$3,750,000 or as modified by the County.
- D. THE CONSULTANT and its subsidiaries or affiliates who designed the project shall be ineligible for the award of the construction contract for that project.

### **IV RESPONSIBILITY OF THE CONSULTANT**

- A. The CONSULTANT shall be responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished by the CONSULTANT under this Contract. The CONSULTANT shall, without additional compensation, correct or revise any errors or deficiencies in its designs, drawings, specifications, and other services.

- B. The Project Manager and Project Engineer must be two different individuals. The Project Manager must be currently employed full time by the Prime Consultant, and both Project Manager and Project Engineer must be Professional Engineer registered in the State of Florida.
- C. Substitution of the Project Manager, Project Engineer or Other Key Personnel: The CONSULTANT shall not substitute any key personnel without the prior written approval of the Manager of the Procurement Division. Any such requests shall be supported by comprehensive documentation outlining the reason(s) for the proposed substitution to include the specific qualifications of the proposed substitute. Approval of the request shall be at the discretion of the COUNTY. Further, the COUNTY, in lieu of approving a substitution, may initiate other actions under the contract, including termination.
- D. Neither the COUNTY'S review, approval or acceptance of, nor payment for, the services required under this Contract shall be construed to operate as a waiver of any rights under this Contract or of any cause of action arising out of the performance of this Contract, and the CONSULTANT shall be and remain liable to the COUNTY in accordance with applicable law for all damages suffered directly or indirectly by the COUNTY caused by the CONSULTANT'S negligent performance of any of the services furnished under this Contract. The rights and remedies of the COUNTY provided for under this Contract are in addition to any other rights and remedies provided by law.
- E. If the CONSULTANT is comprised of more than one legal entity, each such entity shall be jointly and severally liable hereunder.
- F. The COUNTY may require in writing that the CONSULTANT remove from the Work any of the CONSULTANT'S personnel that the COUNTY determines to be incompetent, careless or otherwise objectionable. No claims for an increase in Contract Amount or Contract Time based on the COUNTY's use of this provision will be valid. CONSULTANT shall indemnify and hold the County harmless from and against any claim by CONSULTANT'S personnel on account of the use of this provision.
- G. For contracts requiring design services, the CONSULTANT shall comply with the following requirements:
  - 1. Concurrent with submission of the 90% design submittal to the user division, the CONSULTANT shall provide a copy to the Procurement Division, 400 E. South St., 2<sup>nd</sup> Floor, Orlando, FL 32801
  - 2. Concurrent with the submission of the 100% design submittal to the user division, the CONSULTANT shall submit a complete breakdown of the subcontracting opportunities for the project based on traditional industry practices and their expertise to the Business Development Division, 400 E. South St., Orlando, FL 32801. This information will identify subcontracting elements such as electrical, trucking, sodding, surveying, etc. with the estimated percentage of the total project represented by each subcontracting element.
  - 3. Direct Purchases: For projects for which construction is valued at

\$10,000,000, or for lesser amounts as determined by the COUNTY, the COUNTY may, at its discretion, use the direct purchase method for large dollar value equipment and materials. The CONSULTANT shall, for those projects meeting this criterion, identify all items to be incorporated into the work for which the estimated cost is \$100,000 or more, for potential direct purchase by the COUNTY. A separate listing of these items with quantities and estimated cost shall be provided with the 90% design documents to the user division and to the Procurement Division at address shown above.

- C. The awarded prime consultant shall furnish written documentation evidencing actual dollars paid to **all sub-consultants** utilized by the prime consultant on the project. This will include, but not limited to: copies of cancelled checks, approved invoices, and signed affidavits certifying the accuracy of payments so that the County may determine actual SDV participation achieved by the Prime Consultant prior to the issuance of final payment.
- D. In the event a certified SDV sub-consultant's sub-contract is terminated for convenience, the CONSULTANT shall submit a letter to the Business Development Division from the terminated sub-contractor evidencing their concurrence with the termination. In the event a certified SDV sub-CONSULTANT's sub-contract is terminated for cause, the CONSULTANT shall justify the replacement of that sub-CONSULTANT, in writing to the Business Development Division, accompanied by the Project Manager's recommendation or consent to termination.

- E. It is the intent of the COUNTY to insure prompt payment of all sub-consultants working on COUNTY projects. The CONSULTANT shall:
1. Submit copies of executed contracts between the CONSULTANT and all of its SDV sub-consultants to the Business Development Division.
  2. The County may at its discretion require copies of subcontracts/purchase orders for the non-SDV's listed on Form B and or utilized on the project. However, if this option is not exercised the awarded Proposer shall provide a list of all non-SDV subcontractors certifying that a prompt payment clause has been included in that contract or purchase order.
  3. Incorporate a prompt payment assurance provision and payment schedule in all contracts between the CONSULTANT and sub-consultants (including those with non-SDV's) stating that payment will be made to the sub-consultant within 72 hours of receipt of payment from the COUNTY. The CONSULTANT shall pay each sub-consultant for all work covered under an invoice within the 72 hour time frame.
- F. By entering into this contract, the CONSULTANT affirmatively commits to comply with the SDV subcontracting requirements submitted with his/her Proposal. The failure of the CONSULTANT to comply with this commitment during the Contract's performance period may be considered a breach of Contract. The County may take action up to and including termination for default if this condition is not remedied within the time period specified by the Manager, Procurement Division.

## **XX** **CONTRACT CLAIMS**

"Claim" as used in this provision means a written demand or written assertion by one of the contracting parties seeking as a matter of right, the payment of a certain sum of money, the adjustment or interpretation of contract terms, or other relief arising under or relating to this contract.

Claims made by a Consultant against the County relating to a particular contract shall be submitted to the Procurement Division Manager in writing clearly labeled "Contract Claim" requesting a final decision. The Contractor also shall provide with the claim a certification as follows: "I certify that the claim is made in good faith; that the supporting data are accurate and complete to the best of my knowledge and belief; that the amount requested accurately reflects the contract adjustment for which the Consultant believes the County is liable; and that I am duly authorized to certify the claim on behalf of the Consultant."

**Failure to document a claim in this manner shall render the claim null and void. Moreover, no claim shall be accepted after final payment of the contract.**

The decision of the Procurement Division Manager shall be issued in writing and shall be furnished to the Consultant. The decision shall state the reasons for the decision reached. The Procurement Division Manager shall render the final decision within sixty (60) days after receipt of Consultant's written request for a final decision.

The Procurement Division Manager's decision shall be final and conclusive.

The Consultant shall proceed diligently with performance of this contract pending final resolution of any request for relief, claim, appeal or action arising under the contract and shall comply with any final decision rendered by the Manager of the Procurement Division.

**XXI**  
**AVAILABILITY OF FUNDS**

The obligations of Orange County under this Contract are subject to availability of funds lawfully appropriated for its purpose by the Board of County Commissioners, or other specified funding source for this contract.

**XXII**  
**PROHIBITION AGAINST CONTINGENT FEES**

The Consultant warrants that they have not employed or retained any company or person, other than a bona fide employee working solely for the Consultant, to solicit or secure this Contract and that they have not paid or agreed to pay any person, company, corporation, individual or firm other than a bona fide employee working solely for the Consultant any fee, commission, percentage, gift or any other consideration, contingent upon or resulting from the award of this Contract. For the breach or violation of this provision, the County shall have the right to terminate the Contract at its sole discretion, without liability and to deduct from the Contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift or consideration.

**XXIII**  
**TOBACCO FREE CAMPUS**

All Orange County operations under the Board of County Commissioners shall be tobacco free. This policy shall apply to parking lots, parks, break areas and worksites. It is also applicable to Consultants and their personnel during contract performance on county-owned property. Tobacco is defined as tobacco products including, but not limited to, cigars, cigarettes, pipes, chewing tobacco and snuff. Failure to abide by this policy may result in civil penalties levied under Chapter 386, Florida Statutes and/or contract enforcement remedies.

**XXIV**  
**VERIFICATION OF EMPLOYMENT STATUS**

Prior to the employment of any person performing services under this contract, the CONSULTANT shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of: (a) all employees within the State of Florida that are hired by the CONSULTANT after the execution of the contract who are providing labor under the contract during the contract term; and, (b) all employees within the State of Florida of any of the CONSULTANT'S sub-consultants that are hired by those sub-consultants after the execution of the contract who are providing labor under the contract during the contract term. Please refer to USCIS.gov for more information on this process.

**Only those employees determined eligible to work within the United States shall be employed under the contract.**

Therefore, by submission of a proposal in response to this solicitation, the CONSULTANT confirms that all employees in the above categories will undergo e-verification before performing labor under this contract. The CONSULTANT further confirms his commitment to comply with the requirement by completing the E-Verification certification, contained in this solicitation.

**FREQUENTLY ASKED QUESTIONS (FAQ) ABOUT THE SPECIFIC PROJECT  
EXPENDITURE REPORT**

*Updated 3-1-11*

**WHAT IS A SPECIFIC PROJECT EXPENDITURE REPORT (SPR)?**

A Specific Project Expenditure Report (SPR) is a report required under Section 2-354(b) of the Orange County Lobbying Ordinance, codified at Article X of Chapter 2 of the Orange County Code, reflecting all lobbying expenditures incurred by a principal and his/her authorized agent(s) and the principal's lobbyist(s), contractor(s), subcontractor(s), and consultant(s), if applicable, for certain projects or issues that will ultimately be decided by the Board of County Commissioners (BCC).

Matters specifically exempt from the SPR requirement are ministerial items, resolutions, agreements in settlement of litigation matters in which the County is a party, ordinances initiated by County staff, and some procurement items, as more fully described in 2.20 of the Administrative Regulations.

Professional fees paid by the principal to his/her lobbyist for the purpose of lobbying need not be disclosed on this form. (See Section 2-354(b), Orange County Code.)

**WHO NEEDS TO FILE THE SPR?**

The principal or his/her authorized agent needs to complete and sign the SPR and warrant that the information provided on the SPR is true and correct.

A principal that is a governmental entity does not need to file an SPR.

**HOW ARE THE KEY RELEVANT TERMS DEFINED?**

*Expenditure* means "a payment, distribution, loan, advance, reimbursement, deposit, or anything of value made by a lobbyist or principal for the purpose of lobbying. This may include public relations expenditures (including but not limited to petitions, flyers, purchase of media time, cost of print and distribution of publications) but does not include contributions or expenditures reported pursuant to Chapter 106, Florida Statutes, or federal election law, campaign-related personal services provided without compensation by individuals volunteering their time, any other contribution or expenditure made by or to a political party, or any other contribution or expenditure made by an organization that is exempt from taxation under 26 U.S.C. s. 527 or s. 501(c)(4)." (See Section 112.3215, Florida Statutes.) Professional fees paid by the principal to his/her lobbyist for the purpose of lobbying are not deemed to be "expenditures." (See Section 2-354, Orange County Code.)

*Lobbying* means seeking "to encourage the approval, disapproval, adoption, repeal, rescission, passage, defeat or modification of any ordinance, resolution, agreement, development permit, other type of permit, franchise, vendor, consultant, contractor, recommendation, decision or other foreseeable action of the [BCC]," and "include[s] all communications, regardless of whether initiated by the lobbyist or by the person being lobbied, and regardless of whether oral, written or electronic." (See Section 2-351, Orange County Code.) Furthermore, *lobbying* means communicating "directly with the

County Mayor, with any other member of the [BCC], or with any member of a procurement committee.” (See Section 2-351, Orange County Code.) *Lobbying* also means communicating “indirectly with the County Mayor or any other member of the [BCC]” by communicating with any staff member of the Mayor or any member of the BCC, the county administrator, any deputy or assistant county administrator, the county attorney, any county department director, or any county division manager. (See Section 2-351, Orange County Code.) *Lobbying* does not include the act of appearing before a Sunshine Committee, such as the Development Review Committee or the Roadway Agreement Committee other than the BCC.

*Principal* means “the person, partnership, joint venture, trust, association, corporation, governmental entity or other entity which has contracted for, employed, retained, or otherwise engaged the services of a lobbyist.” *Principal* may also include a person, partnership, joint venture, trust, association, corporation, limited liability corporation, or other entity where it or its employees do not qualify as a lobbyist under the definition set forth in Section 2-351 of the Orange County Code but do perform lobbying activities on behalf of a business in which it has a personal interest.

**DOES THE SPR NEED TO BE UPDATED IF INFORMATION CHANGES?**

Yes. It remains a continuing obligation of the principal or his/her authorized agent to update the SPR whenever any of the information provided on the initial form changes.

**WHERE DO THE SPR AND ANY UPDATES NEED TO BE FILED?**

The SPR needs to be filed with the County Department or County Division processing the application or matter. If and when an additional expenditure is incurred subsequent to the initial filing of the SPR, an amended SPR needs to be filed with the County Department or County Division where the original application, including the initial SPR, was filed.

**WHEN DO THE SPR AND ANY UPDATES NEED TO BE FILED?**

In most cases, the initial SPR needs to be filed with the other application forms. The SPR and any update must be filed with the appropriate County Department or County Division not less than seven (7) days prior to the BCC hearing date so that they may be incorporated into the BCC agenda packet. (See Section 2-354(b), Orange County Code.) When the matter is a discussion agenda item or is the subject of a public hearing, and any additional expenditure occurs less than 7 days prior to BCC meeting date or updated information is not included in the BCC agenda packet, the principal or his/her authorized agent is obligated to verbally present the updated information to the BCC when the agenda item is heard or the public hearing is held. When the matter is a consent agenda item and an update has not been made at least 7 days prior to the BCC meeting or the update is not included in the BCC agenda packet, the item will be pulled from the consent agenda to be considered at a future meeting.

**WHO WILL BE MADE AWARE OF THE INFORMATION DISCLOSED ON THE SPR AND ANY UPDATES?**

The information disclosed on the SPR and any updates will be a public record as defined by Chapter 119, Florida Statutes, and therefore may be inspected by any interested person. Also, the information will be made available to the Mayor and the BCC members. This information will accompany the other information for the principal's project or item.

**CONCLUSION:**

We hope you find this FAQ useful to your understanding of the SPR. Please be informed that in the event of a conflict or inconsistency between this FAQ and the requirements of the applicable ordinance governing specific project expenditure reports, the ordinance controls.

Also, please be informed that the County Attorney's Office is not permitted to render legal advice to a principal, his/her authorized agent, or any other outside party. Accordingly, if after reading this FAQ the principal, his/her authorized agent or an outside party has any questions, he/she is encouraged to contact his/her own legal counsel.
