- B. The initiating County department(s) shall issue delivery/purchase orders against the term contract on an "as needed" basis.
- C. Failure of the Contractor to agree to a reduced unit price may result in the termination of the contract and re-solicitation of the requirement.

The contract shall govern the Contractor's and the County's rights and obligations with respect to that order to the extent as if the order were completed during the contract performance period.

**15. PRICE ESCALATION/DE-ESCALATION (PPI)**

The County may allow a price escalation provision within this award.

The original contract prices shall be firm for the entirety of the initial one (1) year contract period. A price escalation/de-escalation will be considered at the time of contract renewal and at 1-year intervals thereafter, provided the Contractor notifies the County, in writing, of the pending price escalation/de-escalation a minimum of sixty (60) days prior to the contract renewal date. Price adjustments shall be based on the latest version of the Producer Price Index (PPI) – Industry Data, as published by the U.S. Department of Labor, Bureau of Labor Statistics. This information is available at [www.bls.gov](http://www.bls.gov). Contractor shall utilize the North American Industry Classification System (NAICS) to identify the industry code most similar to the contracted commodity for the required calculation below. This information is available at [www.census.gov/eos/www/naics/](http://www.census.gov/eos/www/naics/).

Price adjustment shall be calculated by applying the simple percentage model to the PPI data. This method is defined as subtracting the base period index value (at the time of initial award) from the index value at time of calculation (latest version of the PPI published as of the date of request for price adjustment), divided by the base period index value to identify percentage of change, then multiplying the percentage of change by 100 to identify the percentage change. Formula is as follows:

$$\text{Current Index} - \text{Base Index} / \text{Base Index} = \% \text{ of Change}$$

$$\% \text{ of Change} \times 100 = \text{Percentage Change}$$

**PPI Calculation Example:**

PPI for current period	232.945
Less PPI for base period	229.815
Equals index point change	3.130
Divided by base period PPI	229.815
Equals	0.0136
Result multiplied by 100	0.0136 x 100
Equals percent change	1.4%

A price increase may be requested only at each time interval specified above, using the methodology outlined in this section. To request a price increase, Contractor shall submit a letter stating the percentage amount of the requested increase and adjusted price to the Orange County Procurement Division. The letter shall include the complete calculation utilizing the formula above, and a copy of the PPI – Industry Data index table used in the calculation. The maximum allowable increase shall not exceed 4%, unless authorized by the Manager, Procurement Division. If approved, the price adjustment shall become effective on the contract renewal date. All price adjustments must be accepted by the Manager, Procurement Division and shall be memorialized by written amendment to this contract. No retroactive contract price adjustments will be allowed. Only final PPI data will be used to adjust contract pricing.

Should the PPI – Industry Data as published by the U.S. Department of Labor, Bureau of Labor Statistics decrease during the term of the contract, or any renewals, the Contractor shall notify the Orange County Procurement Division of price decreases in the same method outlined above. If approved, the price adjustment shall become effective on the contract renewal date. If the Contractor fails to pass the decrease on to the County, the County reserves the right to place the Contractor in default, cancel the award, and remove the Contractor from the County Vendor List for a period of time deemed suitable by the County. In the event of this occurrence, the County further reserves the right to utilize any options as stated herein.

## SPECIFICATIONS/SCOPE OF SERVICES

### Summary:

The contract provides for the manufacture, installation, and repair of two sediment trap devices: Curb Baskets (CB) and Grate Inlet Baskets (GB). The Curb Baskets and Grate Inlet Baskets shall collectively be referred to as Stormwater Inlet Baskets (SIB). These devices shall be installed in existing grate and curb inlets. The devices will prevent pollutants such as leaves, yard clippings, cans, sediment and other detritus, from entering lakes through stormwater conveyances.

### Equipment Specifications:

The following two types of stormwater inlet baskets (SIB) are required:

**CURB BASKET (CB):** The CBs shall be designed to fit within standard Florida Department of Transportation (FDOT) approved stormwater curb inlets without significant modification to the existing curb inlet structure. The baskets shall be made to withstand 250 lbs when loaded with debris. The material shall be non-corrosive and able to withstand the effects of possible exposure to stormwater chemicals and submersion for prolonged periods of time. CBs that have manhole access shall have a higher capacity style basket installed; inlets without an access manhole shall have a standard capacity basket installed. Each CB shall have a diversion structure that directs all the untreated stormwater flow into a CB. The CBs, diversion structure, and associated hardware shall be made of durable materials designed to persist through years of monthly handling in central Florida's climate without the need for severe repairs or replacement. The catch baskets shall be designed for easy removal and cleaning. Each CB shall allow the storm water to flow through the basket while collecting and retaining the associated debris. The CBs shall be of sufficient size to maximize the quantity of debris collected without affecting draining and flow. The design of the catch baskets shall allow stormwater to flow-over or bypass the catch basket without clogging the inlet flow once the basket is full.

**GRATE INLET BASKET (GB):** The GB shall be designed to fit within standard FDOT approved stormwater grate inlet structures. The GB shall fit inside of the structure just under the existing cover grate. The baskets shall be made to withstand 250 lbs when loaded with debris. The basket and associated hardware shall be made of durable materials designed to persist through years of monthly handling in central Florida's climate without the need for severe repairs or replacement. Each GB shall allow stormwater to enter the grate inlet's basket where debris can be screened out through a minimum of two different sized screens. The basket shall have a by-pass or overflow design to ensure excess water can be diverted into the storm drain if needed. The design of the catch basket shall allow stormwater to flow-over or bypass the catch basket without clogging the inlet flow once the basket is full.

### **General Stormwater Inlet Basket (SIB) Specifications:**

1. The SIBs filtering capability of sediment, trash, leaves, and other similar pollutants shall not be dependent upon disposable filter media which requires replacement or may cause clogging.
2. Each SIB shall be capable of monthly removal and emptying without loss of structural integrity, cracking, breaking, or functionality over the period of several years.
3. Each SIB shall be designed to receive raw, untreated stormwater typical of residential, commercial and roadway land uses.
4. Each SIB shall be designed to provide the maximum water-permeable surface area in order to allow for the highest flow rate screening of leaf, sediment and trash debris.
5. Each SIB shall be constructed/installed with a bypass system greater than or equal to 20% of the cross sectional area of the basket, so as not to impede the flow of water, which could result in localized flooding or drainage hazards.
6. Each SIB shall have a physical method of preventing the re-suspension and wash-out loss of the screened/captured material during flow receiving conditions regardless of basket fullness.
7. All SIB including mounting hardware, nuts, bolts, washers, and miscellaneous parts shall be constructed of durable, corrosion resistant, non-ferrous material capable of withstanding load weights of at least 250 lbs. The SIB design shall incorporate three porous hole/screen sizes (coarse, medium and fine) which remove coarse and fine sediments, debris and trash. Hole/screen sizes should vary from top to bottom, with top holes being no smaller than 0.750" (coarse mesh) and bottom holes 0.1875" (fine mesh), respectively.
8. The Contractor shall properly install new SIBs in either a curb or grated stormwater catch basin. The inlets have access via an iron grate or manhole cover.
9. For each new SIB installation, the County will provide the Contractor with the number and potential location of SIB to be installed. In return, the Contractor shall screen for each location and provide an accurate and itemized quote based on the contracted pricing.

### **Unique Curb Baskets (CB) Specifications:**

10. Each CB shall have a support system to help direct all stormwater flow into the basket. This support system shall be firmly anchored into the catch basin's walls and be capable of supporting weights of at least 250 lbs without significant bowing or deforming that could alter unit structural integrity or performance. The support system shall be designed so as not to obstruct 100% of the inlet opening to allow for emergency overflow.

11. The support system shall be made so that stormwater is directed to the CB screening device. The CB shall be placed under the curb grade line and accessible via the manhole cover, situated overtop the CB.
12. Each CB shall be designed to allow for easy removal via an attachment point, with a tool such as with a manhole hook. The attachment point(s) shall be strong enough to allow for repeated removal of basket and sediments in excess of 250 lbs.
13. Each CB shall be designed to prevent the basket from becoming dislodged from its supporting shelf and or falling below the support system and into the bottom of the structure or piping system.
14. Each CB installed in a curbed inlet shall have a secondary system capable of arresting the basket, e.g., a lock and tether or equivalent, in case of dislodgement from the support structure. The arresting device shall be capable of supporting the CB at full capacity (250lbs).

#### **Unique Grate Inlet Baskets (GB) Specifications:**

15. For grated curb and common inlets, GB's shall be designed to fit within the existing inlet of the Stormwater Catch Basin with the grate firmly placed over top. The GB shall be large enough to filter 100% of the water that enters the inlet, through the grate. The deck shall either be anchored to the walls of the catch basin or be molded to fit within the opening of the inlet. Installation of the GB shall be such as to allow the grate to firmly fit over top of the GB, laying flush to the ground level.
16. All GBs shall be capable of withstanding weights of at least 250 lbs. The GB design shall be a square basket shape, with various screens sizes which removes fine and coarse sediments, debris and trash, as described in the General Specifications.
17. Each GB shall be constructed/installed with a bypass system greater than or equal to 20% of the cross sectional area of the basket, so as not to impede the flow of water, which could result in localized flooding or drainage hazards.

#### **SIB Installation & Maintenance:**

18. Designs are subject to approval by the County Project Manager before installation.
19. A detailed digital proposal shall be submitted outlining the timeframes for inlet specification measurements, materials manufacturing and fabrication, installation and report submittal. At a minimum, an accurate itemized list of locations with GPS coordinates in decimal degree format NAVD '88 datum, or a GIS file, shall be provided prior to County project manager approval for installation. Timeframes shall be adhered to or as negotiated by County Project Manager.
20. Basis of payment per SIB unit shall include all sizes, types, and models.

21. Basis of payment for all associated costs with the installation per SIB shall be included in the bid item "Installation of Stormwater Catch Basin Insert Filter Basket". Pricing shall also include any special fabrication necessary for proper installation.
22. Basis of payment for all associated costs to install tethers to the SIB shall be included in the bid item "Tethers" and priced per unit.

24. The Contractor warrants each SIB to be free of defects in materials and workmanship for a period of at least five (5) years from the date of installation. The warranty shall cover all materials, parts and labor. If the workmanship and/or products are defective within the five (5) years, then all defects shall be repaired or replaced to the County's satisfaction, with no additional expense to the County.
25. The Contractor shall design and install the SIB so as to provide the maximum benefit while preventing flooding and/or drainage problems. The following list describes the installation standards that include, but are not limited to:

  - b. The stormwater catch basin, which houses the SIB, shall be a minimum of 24" deep to install a SIB, unless otherwise instructed by the County Project Manager. The depth shall be determined from the grade line of the inlet opening to the top of the catch basin conveyance channel or discharge pipe.
  - c. The bottom of the SIB shall rest above the conveyance channel or pipe within the stormwater catch basin.
  - d. No SIB shall be installed in Conflicted Stormwater Catch Basins, which may have other utility infrastructure/s present, unless otherwise instructed to do so by the County Project Manager.
26. The Contractor shall ensure the structural integrity and functionality of the stormwater catch basin is maintained during installation of the SIB, ensuring compliance with all applicable F.D.O.T. and County Standards. Any defects, caused by the installation of the SIB in the integrity and/or functionality to any part of the stormwater catch basin shall be corrected within fourteen (14) days of being notified by the County Project Manager and before final payment is authorized, without any additional incurred costs to the County.

**FREQUENTLY ASKED QUESTIONS (FAQ)**  
**ABOUT THE**  
**RELATIONSHIP DISCLOSURE FORM**  
*Updated 6-28-11*

**WHAT IS THE RELATIONSHIP DISCLOSURE FORM?**

The Relationship Disclosure Form (form OC CE 2D and form OC CE 2P) is a form created pursuant to the County's Local Code of Ethics, codified at Article XIII of Chapter 2 of the Orange County Code, to ensure that all development-related items and procurement items presented to or filed with the County include information as to the relationship, if any, between the applicant and the County Mayor or any member of the Board of County Commissioners (BCC). The form will be a part of the backup information for the applicant's item.

**WHY ARE THERE TWO RELATIONSHIP DISCLOSURE FORMS?**

Form OC CE 2D is used only for development-related items, and form OC CE 2P is used only for procurement-related items. The applicant needs to complete and file the form that is applicable to his/her case.

**WHO NEEDS TO FILE THE RELATIONSHIP DISCLOSURE FORM?**

Form OC CE 2D should be completed and filed by the owner of record, contract purchaser, or authorized agent. Form OC CE 2P should be completed and filed by the bidder, offeror, quoter, or respondent, and, if applicable, their authorized agent. In all cases, the person completing the form must sign the form and warrant that the information provided on the form is true and correct.

**WHAT INFORMATION NEEDS TO BE DISCLOSED ON THE RELATIONSHIP DISCLOSURE FORM?**

The relationship disclosure form needs to disclose pertinent background information about the applicant and the relationship, if any, between, on the one hand, the applicant and, if applicable, any person involved with the item, and on the other hand, the Mayor or any member of the BCC.

In particular, the applicant needs to disclose whether any of the following relationships exist: (1) the applicant is a business associate of the Mayor or any member of the BCC; (2) any person involved with the approval of the item has a beneficial interest in the outcome of the matter *and* is a business associate of the Mayor or any member of the BCC; (3) the applicant is a relative of the Mayor or any member of the BCC; or (4) the Mayor or any member of the BCC is an employee of the applicant. (See Section 2-454, Orange County Code.)

**HOW ARE THE KEY RELEVANT TERMS DEFINED?**

Applicant means, for purposes of a development-related project, the owner, and, if applicable, the contract purchaser or owner's authorized agent. Applicant means, for purposes of a procurement item, the bidder, offeror, quoter, respondent, and, if applicable, the authorized agent of the bidder, offeror, quoter, or respondent.

Business associate means any person or entity engaged in or carrying on a business enterprise with a public officer, public employee, or candidate as a partner, joint venture, corporate shareholder where the shares of such corporation are not listed on any national or regional stock exchange, or co-owner of property. In addition, the term

includes any person or entity engaged in or carrying on a business enterprise, or otherwise engaging in common investment, with a public officer, public employee, or candidate as a partner, member, shareholder, owner, co-owner, joint venture partner, or other investor, whether directly or indirectly, whether through a Business Entity or through interlocking Parent Entities, Subsidiary Entities, or other business or investment scheme, structure, or venture of any nature. (See Section 112.312(4), Florida Statutes, and Section 2-452(b), Orange County Code.)

*Employee* means any person who receives remuneration from an employer for the performance of any work or service while engaged in any employment under any appointment or contract for hire or apprenticeship, express or implied, oral or written, whether lawfully or unlawfully employed, and includes, but is not limited to, aliens and minors. (See Section 440.02(15), Florida Statutes.)

*Relative* means an individual who is related to a public officer or employee as father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half brother, half sister, grandparent, great grandparent, grandchild, great grandchild, step grandparent, step great grandparent, step grandchild, step great grandchild, person who is engaged to be married to the public officer or employee or who otherwise holds himself or herself out as or is generally known as the person whom the public officer or employee intends to marry or with whom the public officer or employee intends to form a household, or any other natural person having the same legal residence as the public officer or employee. (See Section 112.312(21), Florida Statutes.)

#### **DOES THE RELATIONSHIP DISCLOSURE FORM NEED TO BE UPDATED IF INFORMATION CHANGES?**

Yes. It remains a continuing obligation of the applicant to update this form whenever any of the information provided on the initial form changes.

#### **WHERE DO THE RELATIONSHIP DISCLOSURE FORM AND ANY SUBSEQUENT UPDATES NEED TO BE FILED?**

For a development-related item, the Relationship Disclosure Form and any update need to be filed with the County Department or County Division where the applicant filed the application. For a procurement item, the Relationship Disclosure Form and any update need to be filed with the Procurement Division.

#### **WHEN DO THE RELATIONSHIP DISCLOSURE FORM AND ANY UPDATES NEED TO BE FILED?**

In most cases, the initial form needs to be filed when the applicant files the initial development-related project application or initial procurement-related forms. However, with respect to a procurement item, a response to a bid will not be deemed unresponsive if this form is not included in the initial packet submitted to the Procurement Division.

If changes are made after the initial filing, the final, cumulative Relationship Disclosure Form needs to be filed with the appropriate County Department or County Division processing the application not less than seven (7) days prior to the scheduled BCC agenda date so that it may be incorporated into the BCC agenda packet. When the matter is a discussion agenda item or is the subject of a public hearing, and an update has not been made at least 7 days prior to BCC meeting date or is not included in the

BCC agenda packet, the applicant is obligated to verbally present such update to the BCC when the agenda item is heard or the public hearing is held. When the matter is a consent agenda item and an update has not been made at least 7 days prior to the BCC meeting or the update is not included in the BCC agenda packet, the item will be pulled from the consent agenda to be considered at a future meeting.

**WHO WILL REVIEW THE INFORMATION DISCLOSED ON THE RELATIONSHIP DISCLOSURE FORM AND ANY UPDATES?**

The information disclosed on this form and any updates will be a public record as defined by Chapter 119, Florida Statutes, and may therefore be inspected by any interested person. Also, the information will be made available to the Mayor and the BCC members. This form and any updates will accompany the information for the applicant's project or item.

However, for development-related items, if an applicant discloses the existence of one or more of the relationships described above and the matter would normally receive final consideration by the Concurrency Review Committee or the Development Review Committee, the matter will be directed to the BCC for final consideration and action following committee review.

We hope you find this FAQ useful to your understanding of the Relationship Disclosure Form. Please be informed that if the event of a conflict or inconsistency between this FAQ and the requirements of the applicable ordinance or law governing relationship disclosures, the ordinance or law controls.

Also, please be informed that the County Attorney's Office is not permitted to render legal advice to an applicant or any other outside party. Accordingly, if the applicant or an outside party has any questions after reading this FAQ, he/she is encouraged to contact his/her own legal counsel.

**FREQUENTLY ASKED QUESTIONS (FAQ)**  
**ABOUT THE**  
**SPECIFIC PROJECT EXPENDITURE REPORT**  
*Updated 3-1-11*

**WHAT IS A SPECIFIC PROJECT EXPENDITURE REPORT (SPR)?**

A Specific Project Expenditure Report (SPR) is a report required under Section 2-354(b) of the Orange County Lobbying Ordinance, codified at Article X of Chapter 2 of the Orange County Code, reflecting all lobbying expenditures incurred by a principal and their authorized agent(s) and the principal's lobbyist(s), contractor(s), subcontractor(s), and Contractor(s), if applicable, for certain projects or issues that will ultimately be decided by the Board of County Commissioners (BCC).

Matters specifically exempt from the SPR requirement are ministerial items, resolutions, agreements in settlement of litigation matters in which the County is a party, ordinances initiated by County staff, and some procurement items, as more fully described in 2.20 of the Administrative Regulations.

Professional fees paid by the principal to his/her lobbyist for the purpose of lobbying need not be disclosed on this form. (See Section 2-354(b), Orange County Code.)

**WHO NEEDS TO FILE THE SPR?**

The principal or his/her authorized agent needs to complete and sign the SPR and warrant that the information provided on the SPR is true and correct.

A principal that is a governmental entity does not need to file an SPR.

**HOW ARE THE KEY RELEVANT TERMS DEFINED?**

*Expenditure* means "a payment, distribution, loan, advance, reimbursement, deposit, or anything of value made by a lobbyist or principal for the purpose of lobbying. This may include public relations expenditures (including but not limited to petitions, flyers, purchase of media time, cost of print and distribution of publications) but does not include contributions or expenditures reported pursuant to Chapter 106, Florida Statutes, or federal election law, campaign-related personal services provided without compensation by individuals volunteering their time, any other contribution or expenditure made by or to a political party, or any other contribution or expenditure made by an organization that is exempt from taxation under 26 U.S.C. s. 527 or s. 501(c)(4)." (See Section 112.3215, Florida Statutes.) Professional fees paid by the principal to his/her lobbyist for the purpose of lobbying are not deemed to be "expenditures." (See Section 2-354, Orange County Code.)

*Lobbying* means seeking "to encourage the approval, disapproval, adoption, repeal, rescission, passage, defeat or modification of any ordinance, resolution, agreement, development permit, other type of permit, franchise, vendor, Contractor, contractor, recommendation, decision or other foreseeable action of the [BCC]," and "include[s] all communications, regardless of whether initiated by the lobbyist or by the person being lobbied, and regardless of whether oral, written or electronic." (See Section 2-351, Orange County Code.) Furthermore, *lobbying* means communicating "directly with the County Mayor, with any other member of the [BCC], or with any member of a procurement committee." (See Section 2-351, Orange County Code.) *Lobbying* also

means communicating “indirectly with the County Mayor or any other member of the [BCC]” by communicating with any staff member of the Mayor or any member of the BCC, the county administrator, any deputy or assistant county administrator, the county attorney, any county department director, or any county division manager. (See Section 2-351, Orange County Code.) *Lobbying* does not include the act of appearing before a Sunshine Committee, such as the Development Review Committee or the Roadway Agreement Committee other than the BCC.

*Principal* means “the person, partnership, joint venture, trust, association, corporation, governmental entity or other entity which has contracted for, employed, retained, or otherwise engaged the services of a lobbyist.” *Principal* may also include a person, partnership, joint venture, trust, association, corporation, limited liability corporation, or other entity where it or its employees do not qualify as a lobbyist under the definition set forth in Section 2-351 of the Orange County Code but do perform lobbying activities on behalf of a business in which it has a personal interest.

#### **DOES THE SPR NEED TO BE UPDATED IF INFORMATION CHANGES?**

Yes. It remains a continuing obligation of the principal or his/her authorized agent to update the SPR whenever any of the information provided on the initial form changes.

#### **WHERE DO THE SPR AND ANY UPDATES NEED TO BE FILED?**

The SPR needs to be filed with the County Department or County Division processing the application or matter. If and when an additional expenditure is incurred subsequent to the initial filing of the SPR, an amended SPR needs to be filed with the County Department or County Division where the original application, including the initial SPR, was filed.

#### **WHEN DO THE SPR AND ANY UPDATES NEED TO BE FILED?**

In most cases, the initial SPR needs to be filed with the other application forms. The SPR and any update must be filed with the appropriate County Department or County Division not less than seven (7) days prior to the BCC hearing date so that they may be incorporated into the BCC agenda packet. (See Section 2-354(b), Orange County Code.) When the matter is a discussion agenda item or is the subject of a public hearing, and any additional expenditure occurs less than 7 days prior to BCC meeting date or updated information is not included in the BCC agenda packet, the principal or his/her authorized agent is obligated to verbally present the updated information to the BCC when the agenda item is heard or the public hearing is held. When the matter is a consent agenda item and an update has not been made at least 7 days prior to the BCC meeting or the update is not included in the BCC agenda packet, the item will be pulled from the consent agenda to be considered at a future meeting.

#### **WHO WILL BE MADE AWARE OF THE INFORMATION DISCLOSED ON THE SPR AND ANY UPDATES?**

The information disclosed on the SPR and any updates will be a public record as defined by Chapter 119, Florida Statutes, and therefore may be inspected by any interested person. Also, the information will be made available to the Mayor and the BCC members. This information will accompany the other information for the principal's project or item.

**CONCLUSION:**

We hope you find this FAQ useful to your understanding of the SPR. Please be informed that in the event of a conflict or inconsistency between this FAQ and the requirements of the applicable ordinance governing specific project expenditure reports, the ordinance controls.

Also, please be informed that the County Attorney's Office is not permitted to render legal advice to a principal, his/her authorized agent, or any other outside party. Accordingly, if after reading this FAQ the principal, his/her authorized agent or an outside party has any questions, he/she is encouraged to contact his/her own legal counsel.

## ORANGE COUNTY CERTIFICATE OF INSURANCE REVIEW GUIDE

1. **PRODUCER:** Agent's name and address must be shown along with contact name phone, fax, and email address.
2. **INSURED:** Legal name and address of the entity entering into the contract or agreement
3. **INSURERS AFFORDING COVERAGE & NAIC #:** Name of the insurance company that is insuring the line of coverage. The INSURER and applicable letter will be used throughout the certificate to indicate the lines of coverage placed with a particular insurance company. A letter must be shown in the INSUR L TR section for each coverage line listed on the certificate.
4. **ADDL INSR:** Signifies whether coverage includes additional insured status. Very few agents use this section. Additional insured status is usually discussed in the Description of Operations/Locations/Vehicles section.
5. **SUBR WVD:** Signifies that a waiver of subrogation is in valid for each line of coverage as indicated.
6. **POLICY NUMBER:** A policy number should be listed for each line of coverage for which commercial insurance is being provided.
7. **POLICY EFFECTIVE/EXPIRATION DATES:** Effective and expiration dates should fall within the time frame of the inception of the contract or agreement.
8. **LIMITS:** As required in the written agreement. The general aggregate should be at least twice the per occurrence limit for all continuing service contracts. If the aggregate limit applies separately then the PROJECT box should be marked.
9. **AUTOMOBILE LIABILITY:** The ANY AUTO box is preferable however; some organizations do not own vehicles so the other boxes may be marked.
10. **WORKERS' COMPENSATION:** Look closely to see if any proprietor, partner, or executive officer is excluded. If so, please contact Risk Management for waiver approval. The WC STATUTORY LIMITS box must be selected.
11. **OTHER:** This section is used for other coverage such as professional liability and employee dishonesty. The same rules apply with regards to policy numbers, effective and expiration dates and limits.
12. **DESCRIPTION OF OPERATIONS/LOCATIONS/VEHICLES:** This section typically contains any special or qualifying language such as additional insured status or waivers of subrogation. If additional space is needed an ACORD 101 should be attached. Please note that these certificates are for information only and do not confer any rights upon the certificate holder. This is why we also ask for the specific policy language or endorsement specifying that these provisions are in place.
13. **CERTIFICATE HOLDER:** Orange County Board of County Commissioners should be listed as the certificate holder. Individual departments and divisions should not be listed as the primary certificate holder.
14. **AUTHORIZED REPRESENTATIVE:** This section should contain the signature of the person authorized to issue the certificate on behalf of the insurance company.
