A. BIDDER QUESTIONS

1. **Question:** Page C-17, Item 28 References. We have installed several chemical feed systems as well as the chemical holding tanks at several facilities (some of them Orange County facilities); however, I was not able to find specifically a FLUORIDE Chemical feed system. Can the fluoride chemical feed system be dropped from the requirements if we can show a good reference for chemical feed systems in general?

**Response:** *No, the requirement cannot be changed.*
