EXTERIOR PAINTING AND PRESSURE WASHING - UTILITIES DEPARTMENT

ADDENDUM NO. 3

1. The following are questions, with respective answers, for the above Invitation for Bids:

Question 1 – Most of the estimate/bid for the exterior pressure wash and paint contract will be for sandblasting. It seems unusual to have such a large disproportionate line item for a painting contract.

Answer – Not all exterior painting will require sandblasting. Some sites such as the treatment plants will need sandblasting due to the corrosion.
