

August 10, 2018

**BOARD OF COUNTY COMMISSIONERS
ORANGE COUNTY, FLORIDA**

**IFB #Y18-1124-MV
MOTOR FUELS – TANKWAGON DELIVERIES
ADDENDUM NO. 2**

The above Invitation for Bids is changed as follows:

1. The acceptance date has been changed as follows: Sealed bid offers will be accepted up to **2:00 PM** (local time), **Tuesday, August 21, 2018**.

The following are questions and answers:

Question 1 – Can you please provide the average delivery amounts for each location?

Answer – The information is not available in a consistent format from division to division. The information available today is attached hereto as Exhibit 1 for Utilities usage, Exhibit 2 for Fleet Management, Exhibit 3 for Fire Rescue, Exhibits 4 and 5 for Convention Center. Note: The report for Fire Rescue is weekly, not annual.

Question 2 – Can you please provide the annual amounts of each product at each location?

Answer – Each division tracks their information separately. See attached Exhibits 1-5.

Question 3 – Who is the incumbent?

Answer – The current contractor is Quick Fuel Fleet Services, LLC.

Question 4 – May I have a copy of the current contract?

Answer – Below is the link to the current contract Y16-1081-MV.

<http://apps.ocfl.net/OrangeBids/Termcontracts/listtermcontract.asp?ID=117941&CT=application/pdf&FN=Y16-1081.pdf>

Question 5 - May I have a copy of the last bid tabs?

Answer – See attachment 1 in this Addendum.

Question 6 – Fuel Deliver for County Vehicles with Bar Codes, how often do you or have required this service? What is the after hour time window and days required? Can there be separate pricing mark up for this?

Answer – We have no need for this at this time, but want to have it available if needed. Previously on-site fueling was for approximately 15 class 7-8 trucks (diesel) and was done outside of that customer's normal work day (6:00am – 6:00pm). We made the vehicles available between 6:00pm – 6:00am, but the previous vendor choose to do it in the early morning (before 5:00am).

IFB #Y18-1124-MV

Addendum No. 2

Page 1 of 2

Question 7 – The bid requires OPIS weekly pricing. Will you consider OPIS daily or day of delivery?

Answer – No. OPIS weekly pricing only.

Question 8 – What is the average delivery size or can we look at random samples of invoices over the past few months to get an idea of the typical sizes of these deliveries?

Answer – Delivery Size can range from 50 gallons up.

Question 9 - Can we look at the tank sizes and delivery locations for this bid?

Answer – See Delivery Schedule A on the solicitation.

Question 10 - What was the total volume for this contract last year by product?

Answer – Total expended amount from 9/1/17 to-date is \$2,102,906.48. The by-product figures are not available in our system.

Question 11 – Is the driver required to be escorted at all Fire Stations?

Answer – Yes, the driver is required to be escorted at all Fire Stations.

All other specifications, terms and conditions remain the same.

ACKNOWLEDGEMENT OF ADDENDA

A. The bidder shall acknowledge receipt of this addendum by completing the applicable section in the solicitation or by completion of the acknowledgement information on the addendum. Either form of acknowledgement must be completed and returned not later than the date and time for receipt of the bid.

B. Receipt acknowledged by:
