BOARD OF COUNTY COMMISSIONERS
ORANGE COUNTY, FLORIDA
INVITATION FOR BID (IFB) Y19-1021-KB; ADDENDUM # 1

AERIAL MOSQUITO CONTROL

This Addendum is hereby incorporated into the bid documents of the project referenced above. The following items are clarifications, corrections, additions, deletions, and/or revisions to and shall take precedence over the original documents. Additions are indicated by underlining and deletions via ~~strikethrough~~.

A. QUESTIONS AND ANSWERS:

1. **Question:** What are the historical acres treated and spray block size in acres for the past 3 years?

Answer: The total acres treated aerially over the past three years was 87,640 acres with blocks varying in sizes from approximately 700 acres to 7,000.

2. **Question:** Number of missions per year for the previous 3 years?

Answer: There were no missions in 2018, two missions in 2017, and 1 mission in 2016.

3. **Question:** Please provide the bid tabulation for the previous/existing agreement.

Answer: Public Records may be requested at ProcurementRecords@ocfl.net.

4. **Question:** Names/active ingredient of products applied over the last 3 years?

Answer: The product applied was Dibrom and the active ingredient was naled.

5. **Question:** The RFB (sic) references "Airplane" for the requested services. Will the County accept responses utilizing helicopters instead of airplanes?

Answer: Yes, the County will accept responses utilizing helicopters if properly equipped to apply the product at the specified rate.

6. **Question:** The RFB (sic) request pricing based on 100,000 acres per year. Does the county guarantee a minimum amount of work for each contract year?

Answer: There is no minimum acreage guaranteed by the County per year. The solicitation is for an estimated annual acreage, as needed.

7. **Question:** Is any historical data available for the number of acres treated in recent-past years in performance of this or similar contracts for the County?

Answer: The total acres treated aerially over the past three years was 87,640 acres with blocks varying in sizes from approximately 700 acres to 7,000.

8. **Question:** Have these services been previously contracted? If so, please provide the name of the most recent contractor and the most current application charge.

Answer: The previous contractor was Clarke Environmental Mosquito Management and the application charge was \$1.76 per acre.

9. **Question:** Does the RFB (sic) require aircraft to be available 12 months per year? If not which months are typically inactive?

Answer: Yes, as the contract is for an initial 12 month term. Services may be requested at any time.

B. ACKNOWLEDGEMENT OF ADDENDA

- a. The bidder shall acknowledge receipt of this addendum by completing that applicable section in the solicitation or by completion of the acknowledgement information on the addendum. Either form of acknowledgement must be completed and returned no later than the date and time for receipt of the bid.
- b. All other terms and conditions of the IFB remain the same.
- c. Receipt acknowledge by:
