A. The bid opening date remains unchanged.

B. Questions/Answers/Clarifications.

1. **Question:** Under similar projects requirement it is asking for "Correctional/Detention Facility, Public Service Facility or Healthcare Facility with a minimum 50,000SF", we are requesting the minimum SF to be removed, because we believe the size of facility is not that critical, however the size of UPS capacity is more important than size (SF) of facility. The 240 kVA requirement is more important than size of facility (SF).

Answer: Removal of SF requirement is acceptable
