7. Proposers must not discriminate against any employee or applicant for employment because of race, religion, color, sex, age or national origin.
8. **MINORITY/WOMEN OWNED BUSINESS ENTERPRISE:**
 - A. Proposers must address how they intend to comply with the Orange County M/WBE Ordinance, No. 94-02 and amended by Ordinance No. 2009-21. The goal of certified minority/women business enterprise is 27% of the contract value for this project. The Ordinance also addresses minority/women group employment levels setting goals to encourage each Proposer to maintain 24% minority and women employee workforce levels in specific categories.
 - B. All participating M/WBE firms must be **currently certified by Orange County**. The Business Development Division's most recent M/WBE directory is available by e-mail or through the Orange County web site at OrangeCountyfl.net. **Only firms having established offices in the Orlando MSA (Orange, Lake, Seminole and Osceola Counties) are eligible for Orange County certification. All firms must be Orange County certified at time of submittal of the Proposal and must be certified in the area(s) for which they will be used.** If a firm claims to be certified, but is not listed in the Directory the Proposer should obtain a copy of their Orange County Certificate and/or contact the Business Development Division at (407) 836-7317 for verification of certification.

- C. The County has program whereby M/WBE firms designated as graduates can participate in the M/WBE program only on specified projects. All professional service solicitations for which the County has estimated the overall contractual fees to be awarded to the prime in excess of \$500,000 are eligible for graduate M/WBE participation. The prime consultant will receive full M/WBE credit for the use of graduate MWBE's that meet all other requirements. The contract solicited through this RFP is estimated to be valued over \$500,000 and therefore, graduate M/WBE's are eligible to participate. It is the proposing firm's responsibility to ensure that graduate M/WBE's are not listed in proposals to meet M/WBE participation requirements on projects in which they are not eligible to participate.

- D. The County has established a **credit program** whereby Proposers are awarded credits to be applied toward meeting the M/WBE goals on certain County projects. Emphasis will be placed on credits for non-County utilization and first-time M/WBE utilization. Proposers are encouraged to contact the Business Development Division for information on acquiring and applying the credits.

- E. Proposers must submit signed Letter of Intent (Form M-1) with their Proposal for all current Orange County certified M/WBE subconsultants identified on Form B. These Letters of Intent must indicate the scope of work to be performed by every M/WBE plus the percentage of the overall contract fees to be contracted to the listed sub-consultant. Letters of Intent must be signed by both the Proposer and the M/WBE subconsultant.

The Consultant **must** include in the subcontract agreement:

- i. Prompt Payment Clause to the M/WBE sub consultant to state: "payment will be made to the sub-consultant/suppliers within 72 hours of receipt of payment from the County."
- ii. The following statement: "It is the M/WBE's responsibility to submit the required payment verification reports to the prime consultant quarterly and the Final M/WBE payment verification form directly to Business Development Division."
- iii. Termination clause to state: "The awarded prime consultant shall not substitute, replace or terminate any M/WBE firm without prior written authorization from the Business Development Manager, nor shall the prime reduce the scope of work or monetary value of the overall contract value or a sub-consultant without written authorization of the Business Development Division Manager."

The M/WBE's failure to submit the required documents could negatively impact their M/WBE certification.

- F. The awarded prime consultant's responsibilities and requirements are itemized below:
- i. File copies of all executed subconsultant agreement/contracts between the prime and all M/WBE subconsultants on the project to Orange County Business Development Division one time for the duration of the contract.
 - iii. The awarded prime consultant shall furnish written documentation evidencing actual dollars paid to each subconsultant utilized by the prime consultant on the project. This includes, but is not limited to: copies of cancelled checks, approved invoices, and signed affidavits certifying the accuracy of payments so that the County may determine actual participation achieved by the prime consultant prior to the issuance of final payment.
 - iii. The Prime Consultant shall submit an updated quarterly MWBE utilization report, Equal Opportunity Workforce Schedule and M/WBE payment verification forms for all professional service contracts. It is the responsibility of the Prime Consultant to submit the payment verification forms with the referenced reports. The required reports are to be submitted to the Business Development Division no later than the fifth day after end of reporting period. Payment applications, task authorizations and contract renewals may be delayed if these reports are not submitted every quarter in a timely manner until completion of project indicating final report. Failure of the M/WBE to comply with the submittal of the payment verification forms to the Prime consultant could negatively affect their re-certification.
 - iv. The awarded prime consultant shall not substitute, replace or terminate any M/WBE firm without prior written authorization from the Business Development Manager, nor shall the prime reduce the scope of work or monetary value of a subconsultant without written authorization of the Business Development Division.
 - v. The prime consultant shall expeditiously advise all M/WBE's and the Business Development Division of all change orders, contract modifications, additions and deletions to any and all contracts issued to the M/WBE firm on their team.

Execution of the contract between Orange County and the Proposer shall be contingent upon the filing of executed contracts between the Proposer and the M/WBE subs listed on Form B and included on Form M-1 with the Business Development Division.

9. The Proposer understands that this RFP does not constitute an agreement or contract with the Proposer.
10. Any Proposer who submits in its Proposal to the County any information that is determined by the County, in its sole opinion, to be substantially inaccurate, misleading, exaggerated, or incorrect may be disqualified from consideration.

11. **SHORTLISTS, PROTESTS AND LOBBYING:** The recommended short list of firms, rank by score, highest to lowest, will be posted for review by interested parties at the Procurement Division and at <http://apps.ocfl.net/OrangeBids/AwardsRec/default.asp> prior to submission through the appropriate approval process and will remain for a period of five full business days. SCORING CRITERIA

1. Elements 1-4 are mandatory elements. Those Similar Projects with less than the first four (mandatory) elements will receive a score of zero. In order to receive consideration for one half of a point, a Similar Project must contain elements 1-4. In order to receive one (1) full point, a Similar Project must demonstrate elements 1,2,3,4 and at least 3 of the remaining elements (5-8).
2. All elements of the project must have been successfully completed and the construction of the entire project certified substantial completion prior to the date of submission of proposals for this RFP.

Definitions:

Substantial Completion: Completion of the Work in accordance with the construction contract documents, so that the owner may use or occupy the project or designated portion for the intended purpose. If a phased Project, all phases shall be substantially completed. The date of substantial completion must be prior to the due date of proposals for this RFP.

Successfully Completed/Final Completion: Completion of the Work and the Owner has accepted the Work.

Project Manager: Individual who has managed and coordinated design services, permitting, bidding assistance, and construction administration services; who was the primary point of contact for the client; directed the production of the planning/design/construction work products, while performing those services from initial design to substantial completion for the project and is verified by the reference contact of the project provided by the Proposer. The Project Manager shall have been a Professional Engineer registered within the State of Florida Department of Business and Professional Regulation prior to the advertisement of this RFP.

The Proposer shall ensure that the basic description of the similar project, including all required performance requirements and/or dimensions are identified and that the elements are adequately explained in the text. The description shall document how the particular element was performed in conjunction with the overall project. The mere listing of elements without specific details in the body of the description will negatively impact the scoring for the project.

Failure to identify the specific performance requirements and/or dimensions of the project to ensure it meets the similar project description shall negatively impact that project's score.

Note: Determination of a project as similar shall be at the sole discretion of the County.

27. **EXPERIENCE OF THE PROJECT TEAM**

It is the responsibility of the Proposer to verify sub consultants and/or other team member's satisfactory performance on previous Orange County projects

28. **VOLUME OF WORK**

The county shall evaluate information in its "Volume of Work" database to determine the Proposers' scores for the Volume of Work criteria. This information is available on-line at:

<http://www.orangecountyfl.net/VendorServices/VolumeofWorkReport.aspx>

This database includes only the award amounts specifically attributable to the consultant, either as a prime or as a sub-consultant or as a member of a joint venture under previously awarded contracts, contract amendments, purchase orders, task authorizations, and change orders to those purchase orders and task authorizations. In the case of mergers between two or more firms or a parent subsidiary relationship the combined fee for all companies involved will be considered. Fees will be counted towards the Volume of Work at the time of award (not invoices paid). Total fees under negotiation are based on the budget amount for professional services. The end date for volume of work calculation is the date set for receipt of proposals.

Volume of Work is calculated using the following formula:

CONTRACT PERIOD	TOTAL FEE AWARDED TO PRIME CONSULTANT		FACTOR	=	ADJUSTED FEE AMOUNT
(1) From October 1, 2018 to April 1, 2020	\$	X	1.0	=	\$
(2) First Year Past: 10/01/17- 9/30/18	\$	X	0.75	=	\$
(3) Second Year Past: 10/01/16- 09/30/17	\$	X	0.50	=	\$
(4) Third Year Past: 10/01/15-09/30/16	\$	X	0.25	=	\$
(5) Total Fees Under Negotiation	\$	X	0.90	=	\$
	TOTAL FEE CONSIDERED				\$

Proposers are cautioned that they are responsible for confirming the accuracy of their volume of work data prior to the time and date set for receipt of proposals.

Points will be awarded as follows:

Firms with no previous work with the County as a prime consultant or sub-consultant during the current fiscal year <u>and</u> previous fiscal years	5 Points
Firms with adjusted fees of \$1 through \$2,000,000	4 Points
Firms with adjusted fees of \$2,000,001 through \$3,000,000	3 Points
Firms with adjusted fees of \$3,000,001 through \$4,000,000	2 Points
Firms with adjusted fees of \$4,000,001 through \$5,000,000	1 Point
Firms with adjusted fees exceeding \$5,000,000	0 Points

When a Joint Venture submits a proposal, the volume of work awarded by the County to each Joint Venture firm will be multiplied by the percentage of participation in the Joint Venture by that firm and those adjusted figures totaled to determine the total dollar amount to be used in the category.

SCOPE OF SERVICES

ENGINEERING ORANGE COUNTY ADMINISTRATION CENTER HVAC SYSTEM REPLACEMENT

1.0 PROJECT DESCRIPTION

The Administration Center was originally constructed in 1982, with five stories and approximately 130,000 square feet of space. It is located at 201 South Rosalind Avenue, Orlando, FL 32801. The existing HVAC system for the building includes a 570 ton chilled water plant with three water-cooled chillers, a double cell cooling tower, pumps and two electric boilers for heating. In addition, there are air handling units, variable air volume boxes, fan terminal boxes, medium and low pressure supply ductwork and exhaust fans. The equipment is controlled by two different building automation systems, (Invensys and Johnson Controls).

The building has undergone several minor and major renovations over the past 37 years. The latest renovation was the replacement of four-chilled water air handling units located on the roof of the building. Currently, there is an active project to extend the existing Johnson Controls system to the remaining two floors and to remove the existing Invensys control system. The age and condition of the equipment is a concern as well as proper zoning, return air path, air balance, and infiltration. The existing smoke control system for the atrium is not in operation and does not comply with the current building code.

A comprehensive HVAC assessment for the Orange County Administration Center dated December 20, 2017 was completed by ATKINS. In general, the recommendations from the assessment is to replace the identified equipment (chillers, pumps, piping, valves, cooling towers, AHUs, FTBs, VAVs), replace existing ductwork, completely new ducted return, new smoke control system for the atrium, and all other associated appurtenances to make the new HVAC system whole.

DESIGN WITHIN FUNDING LIMITATIONS

- A. The CONSULTANT shall accomplish the design services required under this Contract, when applicable, so as to permit the award of a contract (using standard Orange County procedures for the construction of the facilities) at a price that does not exceed the estimated construction contract price as set forth in paragraph C below. When bids or Proposals for the construction contract are received that exceed the estimated price, the CONSULTANT shall perform such redesign and other services as are necessary to permit contract award within the funding limitation. These additional services shall be performed at no increase in the price of this Contract.

However, the CONSULTANT shall not be required to perform such additional services at no cost to the COUNTY if the unfavorable bids or Proposals result from conditions beyond the CONSULTANT'S reasonable control. The COUNTY shall exercise reasonable commercial judgment in making the controlling determinations as to whether such conditions are within the reasonable control of the CONSULTANT.

- B. The CONSULTANT will promptly advise the COUNTY if it finds that the project being designed will exceed or is likely to exceed the funding limitations and it is unable to design a usable facility within these limitations. Upon receipt of such information, the COUNTY will review the CONSULTANT'S revised estimate of construction cost. The COUNTY may, if it determines that the estimated construction contract price set forth in this Contract is so low that award of a construction contract not in excess of such estimate is improbable, authorize a change in scope or materials as required to reduce the estimated construction cost to an amount within the estimated construction contract price set forth in paragraph C below, or the COUNTY may adjust such estimated construction contract price via amendment to this Contract. When bids or Proposals are not solicited or are unreasonably delayed, the COUNTY shall prepare an estimate of constructing the design submitted and such estimate shall be used in lieu of bids or Proposals to determine compliance with the funding limitation.
- C. The estimated construction contract price for the project described in this Contract is \$7,125,000, or as modified by the County.
- D. THE CONSULTANT and its subsidiaries or affiliates who designed the project shall be ineligible for the award of the construction contract for that project.

- B. The Project Manager must be a professional engineer registered in the State of Florida.
- C. Substitution of the Project Manager, Project Engineer or Other Key Personnel: The CONSULTANT shall not substitute any key personnel without the prior written approval of the Manager of the Procurement Division. Any such requests shall be supported by comprehensive documentation outlining the reason(s) for the proposed substitution to include the specific qualifications of the proposed substitute. Approval of the request shall be at the discretion of the COUNTY. Further, the COUNTY, in lieu of approving a substitution, may initiate other actions under the contract, including termination.
- D. Neither the COUNTY'S review, approval or acceptance of, nor payment for, the services required under this Contract shall be construed to operate as a waiver of any rights under this Contract or of any cause of action arising out of the performance of this Contract, and the CONSULTANT shall be and remain liable to the COUNTY in accordance with applicable law for all damages suffered directly or indirectly by the COUNTY caused by the CONSULTANT'S negligent performance of any of the services furnished under this Contract. The rights and remedies of the COUNTY provided for under this Contract are in addition to any other rights and remedies provided by law.
- E. If the CONSULTANT is comprised of more than one legal entity, each such entity shall be jointly and severally liable hereunder.
- F. The COUNTY may require in writing that the CONSULTANT remove from the Work any of the CONSULTANT'S personnel that the COUNTY determines to be incompetent, careless or otherwise objectionable. No claims for an increase in Contract Amount or Contract Time based on the COUNTY's use of this provision will be valid. CONSULTANT shall indemnify and hold the County harmless from and against any claim by CONSULTANT'S personnel on account of the use of this provision.
- G. For contracts requiring design services, the CONSULTANT shall comply with the following requirements:
 - 1. Concurrent with submission of the 90% design submittal to the user division, the CONSULTANT shall provide a copy to the Procurement Division, 400 E. South St., 2nd Floor, Orlando, FL 32801

South St., Orlando, FL 32801. This information will identify subcontracting elements such as electrical, trucking, sodding, surveying, etc. with the estimated percentage of the total project represented by each subcontracting element.
3. Direct Purchases: For projects for which construction is valued at \$10,000,000, or for lesser amounts as determined by the COUNTY, the COUNTY may, at its discretion, use the direct purchase method for large dollar value equipment and materials. The CONSULTANT shall, for those projects meeting this criterion, identify all items to be incorporated into the work for which the estimated cost is \$100,000 or more, for potential direct purchase by the COUNTY. A separate listing of these items with quantities and estimated cost shall be provided with the 90% design documents to the user division and to the Procurement Division at address shown above.

V

COUNTY'S RIGHTS AND RESPONSIBILITIES

The COUNTY shall:

- A. Furnish the CONSULTANT with existing data, plans, profiles, and other information necessary or useful in connection with the planning of the program that is available in the COUNTY'S files, all of which shall be and remain the property of the COUNTY and shall be returned to the COUNTY upon completion of the services to be performed by the CONSULTANT.

FREQUENTLY ASKED QUESTIONS (FAQ) ABOUT THE SPECIFIC PROJECT
EXPENDITURE REPORT

Updated 3-1-11

WHAT IS A SPECIFIC PROJECT EXPENDITURE REPORT (SPR)?

A Specific Project Expenditure Report (SPR) is a report required under Section 2-354(b) of the Orange County Lobbying Ordinance, codified at Article X of Chapter 2 of the Orange County Code, reflecting all lobbying expenditures incurred by a principal and his/her authorized agent(s) and the principal's lobbyist(s), contractor(s), subcontractor(s), and consultant(s), if applicable, for certain projects or issues that will ultimately be decided by the Board of County Commissioners (BCC).

Matters specifically exempt from the SPR requirement are ministerial items, resolutions, agreements in settlement of litigation matters in which the County is a party, ordinances initiated by County staff, and some procurement items, as more fully described in 2.20 of the Administrative Regulations.

Professional fees paid by the principal to his/her lobbyist for the purpose of lobbying need not be disclosed on this form. (See Section 2-354(b), Orange County Code.)

WHO NEEDS TO FILE THE SPR?

The principal or his/her authorized agent needs to complete and sign the SPR and warrant that the information provided on the SPR is true and correct.

A principal that is a governmental entity does not need to file an SPR.

HOW ARE THE KEY RELEVANT TERMS DEFINED?

Expenditure means "a payment, distribution, loan, advance, reimbursement, deposit, or anything of value made by a lobbyist or principal for the purpose of lobbying. This may include public relations expenditures (including but not limited to petitions, flyers, purchase of media time, cost of print and distribution of publications) but does not include contributions or expenditures reported pursuant to Chapter 106, Florida Statutes, or federal election law, campaign-related personal services provided without compensation by individuals volunteering their time, any other contribution or expenditure made by or to a political party, or any other contribution or expenditure made by an organization that is exempt from taxation under 26 U.S.C. s. 527 or s. 501(c)(4)." (See Section 112.3215, Florida Statutes.) Professional fees paid by the principal to his/her lobbyist for the purpose of lobbying are not deemed to be "expenditures." (See Section 2-354, Orange County Code.)

Lobbying means seeking "to encourage the approval, disapproval, adoption, repeal, rescission, passage, defeat or modification of any ordinance, resolution, agreement, development permit, other type of permit, franchise, vendor, consultant, contractor, recommendation, decision or other foreseeable action of the [BCC]," and "include[s] all communications, regardless of whether initiated by the lobbyist or by the person being lobbied, and regardless of whether oral, written or electronic." (See Section 2-351, Orange County Code.) Furthermore, *lobbying* means communicating "directly with the

County Mayor, with any other member of the [BCC], or with any member of a procurement committee.” (See Section 2-351, Orange County Code.) *Lobbying* also means communicating “indirectly with the County Mayor or any other member of the [BCC]” by communicating with any staff member of the Mayor or any member of the BCC, the county administrator, any deputy or assistant county administrator, the county attorney, any county department director, or any county division manager. (See Section 2-351, Orange County Code.) *Lobbying* does not include the act of appearing before a Sunshine Committee, such as the Development Review Committee or the Roadway Agreement Committee other than the BCC.

Principal means “the person, partnership, joint venture, trust, association, corporation, governmental entity or other entity which has contracted for, employed, retained, or otherwise engaged the services of a lobbyist.” *Principal* may also include a person, partnership, joint venture, trust, association, corporation, limited liability corporation, or other entity where it or its employees do not qualify as a lobbyist under the definition set forth in Section 2-351 of the Orange County Code but do perform lobbying activities on behalf of a business in which it has a personal interest.

DOES THE SPR NEED TO BE UPDATED IF INFORMATION CHANGES?

Yes. It remains a continuing obligation of the principal or his/her authorized agent to update the SPR whenever any of the information provided on the initial form changes.

WHERE DO THE SPR AND ANY UPDATES NEED TO BE FILED?

The SPR needs to be filed with the County Department or County Division processing the application or matter. If and when an additional expenditure is incurred subsequent to the initial filing of the SPR, an amended SPR needs to be filed with the County Department or County Division where the original application, including the initial SPR, was filed.

WHEN DO THE SPR AND ANY UPDATES NEED TO BE FILED?

In most cases, the initial SPR needs to be filed with the other application forms. The SPR and any update must be filed with the appropriate County Department or County Division not less than seven (7) days prior to the BCC hearing date so that they may be incorporated into the BCC agenda packet. (See Section 2-354(b), Orange County Code.) When the matter is a discussion agenda item or is the subject of a public hearing, and any additional expenditure occurs less than 7 days prior to BCC meeting date or updated information is not included in the BCC agenda packet, the principal or his/her authorized agent is obligated to verbally present the updated information to the BCC when the agenda item is heard or the public hearing is held. When the matter is a consent agenda item and an update has not been made at least 7 days prior to the BCC meeting or the update is not included in the BCC agenda packet, the item will be pulled from the consent agenda to be considered at a future meeting.

WHO WILL BE MADE AWARE OF THE INFORMATION DISCLOSED ON THE SPR AND ANY UPDATES?

The information disclosed on the SPR and any updates will be a public record as defined by Chapter 119, Florida Statutes, and therefore may be inspected by any interested person. Also, the information will be made available to the Mayor and the BCC members. This information will accompany the other information for the principal's project or item.

CONCLUSION:

We hope you find this FAQ useful to your understanding of the SPR. Please be informed that in the event of a conflict or inconsistency between this FAQ and the requirements of the applicable ordinance governing specific project expenditure reports, the ordinance controls.

Also, please be informed that the County Attorney's Office is not permitted to render legal advice to a principal, his/her authorized agent, or any other outside party. Accordingly, if after reading this FAQ the principal, his/her authorized agent or an outside party has any questions, he/she is encouraged to contact his/her own legal counsel.

DOES THE RELATIONSHIP DISCLOSURE FORM NEED TO BE UPDATED IF INFORMATION CHANGES?

Yes. It remains a continuing obligation of the applicant to update this form whenever any of the information provided on the initial form changes.

WHERE DO THE RELATIONSHIP DISCLOSURE FORM AND ANY SUBSEQUENT UPDATES NEED TO BE FILED?

For a development-related item, the Relationship Disclosure Form and any update need to be filed with the County Department or County Division where the applicant filed the application. For a procurement item, the Relationship Disclosure Form and any update need to be filed with the Procurement Division.

In most cases, the initial form needs to be filed when the applicant files the initial development-related project application or initial procurement-related forms. If changes are made after the initial filing, the final, cumulative Relationship Disclosure Form needs to be filed with the appropriate County Department or County Division processing the application not less than seven (7) days prior to the scheduled BCC agenda date so that it may be incorporated into the BCC agenda packet. When the matter is a discussion agenda item or is the subject of a public hearing, and an update has not been made at least 7 days prior to BCC meeting date or is not included in the BCC agenda packet, the applicant is obligated to verbally present such update to the BCC when the agenda item is heard or the public hearing is held. When the matter is a consent agenda item and an update has not been made at least 7 days prior to the BCC meeting or the update is not included in the BCC agenda packet, the item will be pulled from the consent agenda to be considered at a future meeting.

WHO WILL REVIEW THE INFORMATION DISCLOSED ON THE RELATIONSHIP DISCLOSURE FORM AND ANY UPDATES?

The information disclosed on this form and any updates will be a public record as defined by Chapter 119, Florida Statutes, and may therefore be inspected by any interested person. Also, the information will be made available to the Mayor and the BCC members. This form and any updates will accompany the information for the applicant's project or item.

However, for development-related items, if an applicant discloses the existence of one or more of the relationships described above and the matter would normally receive final consideration by the Concurrency Review Committee or the Development Review Committee, the matter will be directed to the BCC for final consideration and action following committee review.
