

## Y17-115-SS

Orange County Parks and Recreation Division, Florida is interested in a vendor that can provide the following:

### Scope:

Inflatable movie screen & frame that does not require a constant blower to be used, allowing indoor use if weather requires without the noise from a blower keeping the screen-frame inflated.

- Machine washable, wrinkle free screen fabric along with commercial grade material for the frame. A frame that does not leak once sealed after inflation.
- Movie screen set up that requires minimal man power and is easy and quick to set up and breakdown.

### Requirements:

- Seamless, inflatable movie screen frame able to secure a widescreen format: 23' diagonal, 19' wide X 10'8" high viewing surface.
- Once inflated the inflatable-frame can be sealed for extended periods of time without any leaks or need for inflating.
- Inflatable frame does not require any constant blower(s) or power use.
- Inflatable-frame can be used both indoors and outdoors and is totally sealed with commercial grade material.
- Inflatable screen not to exceed 22'5" wide X 17'10" high.
- Rated for winds of at least 20mph and secured to the ground with stakes while outside or sandbags inside.
- Screen fabric able to provide front and rear projection. Wrinkle Free and machine washable.

Any vendor that determines they can meet the County's requirements is invited to contact Alina Hernández Fernández via e-mail at [Alina.Hernandez@ocfl.net](mailto:Alina.Hernandez@ocfl.net), or by phone, 407-836-5468. This posting will be available until 5:00PM, September 28, 2017.
