**ADDENDUM NO.1**

This addendum is hereby incorporated into the Invitation for Bids document. The following items are clarifications, corrections, additions, deletions and/or revisions to and shall take precedence over the original documents.

**1. Questions and Answers**

- A. Question: Reference question, page 26, II, A-7, what we offer has dilution tips in the dispensers, not the bottles- will the County accept this?

Answer: The County will not accept dilution tips in the dispensers. The County requires dilution tips in the bottles for several reasons including limiting chemical spill and ease of use for staff.

- B. Question: For Item 4, Multi-Purpose Peroxide Cleaner, do you plan on diluting the product to a certain percentage?

Answer: The County anticipates diluting 2 – 3 oz. per gallon.

- C. Question: When figuring the unit price after dilution do we go the first 2 places or do we need to carry it out further.

Answer: It is at the discretion of the bidder to determine what price to put and how far it needs to extend.

**ACKNOWLEDGEMENT OF ADDENDA**

- a. The bidder shall acknowledge receipt of this addendum by completing the applicable section in the solicitation or by completion of the acknowledgement information on the addendum. Either form of acknowledgement must be completed and returned not later than the date and time for receipt of the bid.
