SCOPE OF SERVICES

Orange County and its Tax Collector, Property Appraiser, Supervisor of Elections, Clerk of Circuit Court and Comptroller are parties to the Interlocal Risk Management and Self-Insurance Agreement. The agreement (a copy of which will be provided by the Director, Risk Management and Professional Standards Division "Director" upon request) sets forth the self-insurance program for the Board of County Commissioners and the constitutional officers identified above. The implementation and administration of the agreement through the Board, the several constitutional officers, the County's Risk Management Committee, and the Director is hereafter referred to as the "Program".

The Program is a mechanism through which liability and tort issues are settled, litigated or denied.

The Program is administered by the Director and a third-party administrator responsible for the initial investigation and evaluation of claims. The disposition of claims is made by the Director in conjunction with the Risk Management Committee composed of members appointed by the County. This includes claims defense litigation similar to that required by an insurance carrier or large self-insurer.

The County is requesting proposals for three general liability/tort law firms to provide competent and cost-effective legal defense, including appellate services.

There is no assurance that selection as counsel for the program will result in any minimum number of case referrals. The Director, after consultation with counsel for the signatory entity against whom a claim is lodged, will assign each case to one of the several retained law firms as he or she may decide to be in the Program's best interests.

The Director will designate a firm from time to time to serve as "general counsel" to the Program. The designated firm shall provide legal advice and services unrelated to individual claims, such as drafting contract indemnity clauses, advice regarding insurance, and assistance in legislative tort issues.

The County considers these legal services to be personal in nature. Therefore, if one or more principals or key personnel terminate their association with a firm with whom a contract is executed, the County reserves the right to subsequently execute a contract with any such firm with whom such principals or key personnel may become associated. The County shall be immediately notified if any key personnel departs from the firm. Furthermore, the County reserves the right to terminate a contract with any firm from whom a principal or key personnel becomes disassociated.

WHAT INFORMATION NEEDS TO BE DISCLOSED ON THE RELATIONSHIP DISCLOSURE FORM?

The relationship disclosure form needs to disclose pertinent background information about the applicant and the relationship, if any, between, on the one hand, the applicant and, if applicable, any person involved with the item, and on the other hand, the Mayor or any member of the BCC.

In particular, the applicant needs to disclose whether any of the following relationships exist: (1) the applicant is a business associate of the Mayor or any member of the BCC; (2) any person involved with the approval of the item has a beneficial interest in the outcome of the matter *and* is a business associate of the Mayor or any member of the BCC; (3) the applicant is a relative of the Mayor or any member of the BCC; or (4) the Mayor or any member of the BCC is an employee of the applicant. DOES THE RELATIONSHIP DISCLOSURE FORM NEED TO BE UPDATED IF INFORMATION CHANGES?

Yes. It remains a continuing obligation of the applicant to update this form whenever any of the information provided on the initial form changes.

WHERE DO THE RELATIONSHIP DISCLOSURE FORM AND ANY SUBSEQUENT UPDATES NEED TO BE FILED?

For a development-related item, the Relationship Disclosure Form and any update need to be filed with the County Department or County Division where the applicant filed the application. For a procurement item, the Relationship Disclosure Form and any update need to be filed with the Procurement Division.

WHEN DO THE RELATIONSHIP DISCLOSURE FORM AND ANY UPDATES NEED TO BE FILED?

In most cases, the initial form needs to be filed when the applicant files the initial development-related project application or initial procurement-related forms. However, with respect to a procurement item, a response to a bid will not be deemed unresponsive if this form is not included in the initial packet submitted to the Procurement Division.

If changes are made after the initial filing, the final, cumulative Relationship Disclosure Form needs to be filed with the appropriate County Department or County Division processing the application not less than seven (7) days prior to the scheduled BCC

agenda date so that it may be incorporated into the BCC agenda packet. When the matter is a discussion agenda item or is the subject of a public hearing, and an update has not been made at least 7 days prior to BCC meeting date or is not included in the BCC agenda packet, the applicant is obligated to verbally present such update to the BCC when the agenda item is heard or the public hearing is held. When the matter is a consent agenda item and an update has not been made at least 7 days prior to the BCC meeting or the update is not included in the BCC agenda packet, the item will be pulled from the consent agenda to be considered at a future meeting.

WHO WILL REVIEW THE INFORMATION DISCLOSED ON THE RELATIONSHIP DISCLOSURE FORM AND ANY UPDATES?

The information disclosed on this form and any updates will be a public record as defined by Chapter 119, Florida Statutes, and may therefore be inspected by any interested person. Also, the information will be made available to the Mayor and the BCC members. This form and any updates will accompany the information for the applicant's project or item.

However, for development-related items, if an applicant discloses the existence of one or more of the relationships described above and the matter would normally receive final consideration by the Concurrency Review Committee or the Development Review Committee, the matter will be directed to the BCC for final consideration and action following committee review.

**FREQUENTLY ASKED QUESTIONS (FAQ)
ABOUT THE
SPECIFIC PROJECT EXPENDITURE REPORT**
Updated 3-1-11

WHAT IS A SPECIFIC PROJECT EXPENDITURE REPORT (SPR)?

A Specific Project Expenditure Report (SPR) is a report required under Section 2-354(b) of the Orange County Lobbying Ordinance, codified at Article X of Chapter 2 of the Orange County Code, reflecting all lobbying expenditures incurred by a principal and their authorized agent(s) and the principal's lobbyist(s), contractor(s), subcontractor(s), and Contractor(s), if applicable, for certain projects or issues that will ultimately be decided by the Board of County Commissioners (BCC).

Matters specifically exempt from the SPR requirement are ministerial items, resolutions, agreements in settlement of litigation matters in which the County is a party, ordinances initiated by County staff, and some procurement items, as more fully described in 2.20 of the Administrative Regulations.

Professional fees paid by the principal to his/her lobbyist for the purpose of lobbying need not be disclosed on this form. (See Section 2-354(b), Orange County Code.)

WHO NEEDS TO FILE THE SPR?

The principal or his/her authorized agent needs to complete and sign the SPR and warrant that the information provided on the SPR is true and correct.

A principal that is a governmental entity does not need to file an SPR.

HOW ARE THE KEY RELEVANT TERMS DEFINED?

Expenditure means "a payment, distribution, loan, advance, reimbursement, deposit, or anything of value made by a lobbyist or principal for the purpose of lobbying. This may include public relations expenditures (including but not limited to petitions, flyers, purchase of media time, cost of print and distribution of publications) but does not include contributions or expenditures reported pursuant to Chapter 106, Florida Statutes, or federal election law, campaign-related personal services provided without compensation by individuals volunteering their time, any other contribution or expenditure made by or to a political party, or any other contribution or expenditure made by an organization that is exempt from taxation under 26 U.S.C. s. 527 or s. 501(c)(4)." (See Section 112.3215, Florida Statutes.) Professional fees paid by the principal to his/her lobbyist for the purpose of lobbying are not deemed to be "expenditures." (See Section 2-354, Orange County Code.)

Lobbying means seeking "to encourage the approval, disapproval, adoption, repeal, rescission, passage, defeat or modification of any ordinance, resolution, agreement, development permit, other type of permit, franchise, vendor, Contractor, contractor, recommendation, decision or other foreseeable action of the [BCC]," and "include[s] all communications, regardless of whether initiated by the lobbyist or by the person being lobbied, and regardless of whether oral, written or electronic." (See Section 2-351, Orange County Code.) Furthermore, *lobbying* means communicating "directly with the County Mayor, with any other member of the [BCC], or with any member of a procurement committee." (See Section 2-351, Orange County Code.) *Lobbying* also

means communicating “indirectly with the County Mayor or any other member of the [BCC]” by communicating with any staff member of the Mayor or any member of the BCC, the county administrator, any deputy or assistant county administrator, the county attorney, any county department director, or any county division manager. (See Section 2-351, Orange County Code.) *Lobbying* does not include the act of appearing before a Sunshine Committee, such as the Development Review Committee or the Roadway Agreement Committee other than the BCC.

Principal means “the person, partnership, joint venture, trust, association, corporation, governmental entity or other entity which has contracted for, employed, retained, or otherwise engaged the services of a lobbyist.” *Principal* may also include a person, partnership, joint venture, trust, association, corporation, limited liability corporation, or other entity where it or its employees do not qualify as a lobbyist under the definition set forth in Section 2-351 of the Orange County Code but do perform lobbying activities on behalf of a business in which it has a personal interest.

DOES THE SPR NEED TO BE UPDATED IF INFORMATION CHANGES?

Yes. It remains a continuing obligation of the principal or his/her authorized agent to update the SPR whenever any of the information provided on the initial form changes.

WHERE DO THE SPR AND ANY UPDATES NEED TO BE FILED?

The SPR needs to be filed with the County Department or County Division processing the application or matter. If and when an additional expenditure is incurred subsequent to the initial filing of the SPR, an amended SPR needs to be filed with the County Department or County Division where the original application, including the initial SPR, was filed.

WHEN DO THE SPR AND ANY UPDATES NEED TO BE FILED?

In most cases, the initial SPR needs to be filed with the other application forms. The SPR and any update must be filed with the appropriate County Department or County Division not less than seven (7) days prior to the BCC hearing date so that they may be incorporated into the BCC agenda packet. (See Section 2-354(b), Orange County Code.) When the matter is a discussion agenda item or is the subject of a public hearing, and any additional expenditure occurs less than 7 days prior to BCC meeting date or updated information is not included in the BCC agenda packet, the principal or his/her authorized agent is obligated to verbally present the updated information to the BCC when the agenda item is heard or the public hearing is held. When the matter is a consent agenda item and an update has not been made at least 7 days prior to the BCC meeting or the update is not included in the BCC agenda packet, the item will be pulled from the consent agenda to be considered at a future meeting.

WHO WILL BE MADE AWARE OF THE INFORMATION DISCLOSED ON THE SPR AND ANY UPDATES?

The information disclosed on the SPR and any updates will be a public record as defined by Chapter 119, Florida Statutes, and therefore may be inspected by any interested person. Also, the information will be made available to the Mayor and the BCC members. This information will accompany the other information for the principal's project or item.

CONCLUSION:

We hope you find this FAQ useful to your understanding of the SPR. Please be informed that in the event of a conflict or inconsistency between this FAQ and the requirements of the applicable ordinance governing specific project expenditure reports, the ordinance controls.

Also, please be informed that the County Attorney's Office is not permitted to render legal advice to a principal, his/her authorized agent, or any other outside party. Accordingly, if after reading this FAQ the principal, his/her authorized agent or an outside party has any questions, he/she is encouraged to contact his/her own legal counsel.

The contract shall govern the CONTRACTOR and the COUNTY'S rights and obligations with respect to the extent as if the order were completed during the contract's performance period.

ARTICLE 3 - PAYMENTS TO CONTRACTOR

A. The Firm shall be compensated at the following hourly rates for actual reasonable time spent by either an attorney fully licensed by the State of Florida or a practicing paralegal. The estimated annual contract amount is \$400,000.

Partner	\$160.00 per hour
Associate	\$140.00 per hour
Paralegal	\$ 65.00 per hour
Clerical	\$ 0.00 per hour

The County reserves the right to negotiate a lump sum fee per case or assignment based upon the contractual hourly rates.

- B. Any other type of billing or time keeping which allows compensation for time not actually spent by your Firm is not permitted under this contract. Therefore, it shall be a material breach of these terms of this contract for your Firm to submit for payment any statement for services rendered which either (i) overstates the amount of time actually spent by a member or employee of your Firm pursuant to this contract or (ii) includes time spent by any person not affiliated with your Firm.

The quoted rates herein are based upon the provision of services to the Program by an attorney or paralegal who is experienced in the areas of law involved in the expert defense of the claim(s) assigned by the Program to the Firm. Should the Program assign to the Firm the defense of a claim involving areas of law with which that Firm is inexperienced, then, the Firm shall either decline the assignment within two (2) working days or accept the assignment but, pursuant to Rule 4-1.5, Florida Bar Rules of Professional Conduct, the Firm shall decline to bill the Program for all time expended required to gain expertise in such areas of law or practice.

The extent of legal services rendered shall be subject to the approval of the Program Risk Manager. Approval of the Program Risk Manager is required before incurring extraordinary expenses such as the retention of experts or travel out of state.

The section of the statement setting forth the costs to be reimbursed shall contain an itemization of all such costs.

Each statement of costs and fees warrants that the statement sets forth only the actual time spent and only the actual costs incurred. The Program shall rely on this warranty.

The Program Risk Manager and/or Designee will authorize payment of fees upon review and approval of the statement if such fees and costs for any particular matter are reasonable and justified. Payment shall be processed and made, if approved, in accordance with the terms and conditions of the Reporting and Billing Guidelines.

- E. "Unless the County and the successful proposer(s) agree otherwise, the County will reimburse the firm for the expenses incurred by it for copying (\$.15 per page), facsimile (\$1.00 per page), postage, overnight delivery, long distance telephone calls (exclusive of long distance telephone calls incurred between cities in which

All invoices submitted for such reimbursements shall contain complete and detailed information supported by appropriate receipts as to the item or charge sought to be reimbursed.

- F. The Reporting and Billing Guidelines in attached "EXHIBIT B" to this contract provide procedures and methodologies under which the working relationship between the Program and its Manager and your Firm will be governed. These procedures and methodologies have the same force and dignity as if specifically set forth in this letter of engagement. Breach or non-observance of these procedures and methodologies constitutes a breach of this letter of engagement. These Reporting and Billing Guidelines may be altered or amended from time to time by the Program Manager and such alterations or amendments shall be binding upon your Firm upon receipt of it.
- G. Invoices received from the CONTRACTOR pursuant to this Contract will be reviewed and approved by the initiating County Department, indicating that services have been rendered in conformity with the Contract and then will be sent to the Finance Department for payment. Invoices shall reference this contract number. Invoices will be paid in accordance with the State of Florida Local Government Prompt Payment Act.
- H. Final Invoice: In order for both parties herein to close their books and records, the CONTRACTOR shall clearly state "final invoice" on the CONTRACTOR'S final/last billing to the COUNTY. This certifies that all services have been properly performed and all charges and costs have been invoiced to Orange County. Since this account will thereupon be closed, any and other further charges if not properly included on this final invoice are waived by the CONTRACTOR.

ARTICLE 4 - TRUTH IN NEGOTIATION CERTIFICATE

Signature of this Contract by the CONTRACTOR shall act as the execution of the truth-in-negotiation certificate certifying that the wage rates and costs used to determine the compensation provided for in this Contract are accurate, complete and current as of the date of the Contract and no higher than those charged the CONTRACTOR'S most favored customer for the same or substantially similar service.

The said rates and costs shall be adjusted to exclude any significant sums should the COUNTY determine that the rates and costs were increased due to inaccurate, incomplete or non-current wage rates or due to inaccurate representations of fees paid to outside Contractors. Such termination may also result in suspension or debarment of the CONTRACTOR in accordance with the County's Procurement Ordinance. The CONTRACTOR and its sureties (if any) shall be liable for any damage to the COUNTY resulting from the CONTRACTOR's default of the contract. This liability includes any increased costs incurred by the COUNTY in completing contract performance.

If this contract is terminated, the COUNTY shall be liable only for goods or services delivered and accepted. SCOPE OF SERVICES

Orange County and its Tax Collector, Property Appraiser, Supervisor of Elections, Clerk of Circuit Court and Comptroller are parties to the Interlocal Risk Management and Self-Insurance Agreement. The agreement (a copy of which will be provided by the Director, Risk Management and Professional Standards Division [the Director] upon request) sets forth the self-insurance program for the Board of County Commissioners and the constitutional officers identified above. The implementation and administration of the agreement through the Board, the several constitutional officers, the County's Risk Management Committee, and the Director is hereafter referred to as the "Program".

The Program is a mechanism through which liability and tort issues are settled, litigated or denied.

The program is administered by the Director and a third-party administrator responsible for the initial investigation and evaluation of claims. The disposition of claims is made by the Director in conjunction with the Risk Management Committee composed of members appointed by the County. This includes claims defense litigation similar to that required by an insurance carrier or large self-insurer.

The Program is requesting proposals for three general liability/tort law firms to provide competent and cost-effective legal defense, including appellate services.

The contract term shall extend until October 30, 2020 with two one (1) year renewals at the option of Orange County or until terminated by the Program. The Program will reserve the right to terminate the contract at any time, with or without cause.

There is no assurance that selection as counsel for the program will result in any minimum number of case referrals. The Director, after consultation with counsel for the signatory entity against whom a claim is lodged, will assign each case to one of the several retained law firms as he or she may decide to be in the Program's best interests.

The Director will designate a firm from time to time to serve as "general counsel" to the Program. The designated firm will provide legal advice and services unrelated to individual claims, such as drafting contract indemnity clauses, advice regarding insurance, and assistance in legislative tort issues.

The County considers these legal services to be personal in nature. Therefore, if one or more principals or key personnel terminate his/her association with a firm with whom a contract is executed, the County shall reserve the right to subsequently execute a contract with any such firm with whom such principals or key personnel may become associated. Furthermore, the County shall reserve the right to terminate a contract with any firm from whom a principal or key personnel becomes disassociated.

Orange County Administrative Regulation on Conflict of Interest for Outside Counsel

2.11.01 COUNTY ATTORNEY'S OFFICE –WAIVERS OF CONFLICTS OF INTEREST FOR OUTSIDE LEGAL COUNSEL

I. POLICY

Because of the County's occasional need for specialized legal expertise, and because of heavy workloads experienced periodically within the County Attorney's Office, Orange County must obtain legal advice and representation from time to time from outside law firms. On those occasions, it is imperative for Orange County and its citizens that the County receive legal advice that is free both from material conflict of interest and from any appearance of material conflict of interest.

For several reasons, it is advantageous for the County, when obtaining outside legal counsel, to rely on local law firms. First, it is somewhat rare when the legal specialties and expertise needed by the County are not available within local law firms. Second, local law firms have enhanced availability and response time because of their proximity and, thus, can be more efficient and cost-effective than firms in other metropolitan areas.

However, many of the law firms in the area also represent clients before the Board of County Commissioners and its divisions, departments and advisory boards. Local firms also represent clients in proceedings against the County and in other matters where the interests of the other client or clients are adverse to the County's interests. If outside legal counsel chooses to represent another client where a conflict of interest may result, it is the affirmative obligation of the outside legal counsel to notify the County Attorney of the conflict and to seek the appropriate waiver as described in Section II of this Administrative Regulation.

It is the policy of the Board of County Commissioners to balance these competing needs and to allow local law firms to represent the County, so long as there are no conflicts of interest that likely would result in materially adverse consequences to the County's interests. It is in an effort to balance these competing demands that this Administrative Regulation is promulgated.

II. PROCEDURES

A. Authorized Waivers without Notice to the Board.

For law firms representing or expected to be representing the County in its legal matters, the Board of County Commissioners deems the following types of conflicts of interest to be presumptively immaterial in their consequences to the County and, therefore, to be conflicts which, upon request by the law firm, the County Attorney may waive:

1. 1. representation of other clients before the board of county commissioners or any of its divisions, departments, or other offices, whether in connection with regulatory approvals, contract negotiations, or other matters; and
2. 2. representation of other clients before the county's advisory boards.

In deciding whether to grant such waivers, the County Attorney shall endeavor to determine all the relevant facts and shall exercise good judgment. Nothing in this Regulation prohibits the County Attorney from electing not to waive a conflict if he or she decides that the conflict will have or could have material adverse consequences for the County or otherwise that the County's best interests are, in his or her judgment, better served by not granting the waiver.

B. *Waivers Authorized With Notice to the Board.*

For law firms representing or expected to be representing the County in its legal matters, the Board of County Commissioners deems the following types of conflicts of interest to be, in most cases, presumptively immaterial in their consequences to the County and, therefore, to be conflicts which, upon request by the law firm, the County Attorney may waive, but only if (i) notice of the impending waiver is first given to all board members at least five working days in advance of the waiver being granted and (ii) no member of the Board objects:

1. representation of other clients in eminent domain proceedings initiated by the County;
2. representation of other clients in regulatory enforcement proceedings initiated by the County; and
3. representation of other clients in other judicial or administrative proceedings initiated by the County, except as provided in paragraph C, below; and
4. representation of other clients in certiorari appeals of actions taken by the Board of County Commissioners or any of its advisory boards. In deciding whether to grant such waivers, the County Attorney shall endeavor to determine all the relevant facts and shall exercise good judgment. Nothing in this Regulation prohibits the County Attorney from electing not to waive a conflict if he or she decides that the conflict will have or could have material adverse consequences for the County or otherwise that the County's best interests are, in his or her judgment, better served by not granting the waiver. If, after giving notice of an impending waiver of a type of conflict of interest described above, a board member objects to the waiver, the County Attorney shall place the matter on the board's agenda, and the waiver shall be granted by the County Attorney only if approved by the board.

C. *Waivers Authorized only with Board Approval.*

For law firms representing or expected to be representing the County in its legal matters, the Board of County Commissioners deems the following types of conflicts of interest to be material in their consequences to the County and, therefore, to be conflicts which the County Attorney may not waive:

1. representation of other clients in judicial proceedings initiated against Orange County or its officers or employees or advisory board members by or on behalf of the other client (other than proceedings expressly listed in paragraphs A and B, above);

2. representation of other clients in administrative proceedings to challenge a permit or other regulatory approval being sought by the County;
3. representation of the County in a matter in which an adverse party is also a client of the law firm;
4. representation of a County officer or employee in a judicial or administrative proceeding in which the County is a party with interests adverse to the officer or employee, unless such representation has been requested by the County (e.g., in tort suits where the County is a co-defendant along with individual County employees); and
5. representation of other clients in any other matter not expressly described in paragraphs A and B or this paragraph C, where the County is involved in the matter and the interests of the client are adverse to the County's.

If a particular conflict involves matters identified in both this paragraph C and either paragraph A or B (or both of them), the matter shall be deemed to be a conflict identified in this paragraph C, unless expressly provided otherwise. However, the Board may waive any conflict identified in paragraph C solely at its discretion.

D. *Waivers by the Board of County Commissioners*

Any conflict identified in paragraph A, B, or C may be waived by the Board of County Commissioners, at its discretion.

E. *Applicability of Rules Regulating the Florida Bar (Bar Rules)*

For purposes of the Rules regulating The Florida Bar, a waiver of a conflict of interest allowed by this Regulation, if and when granted, shall constitute only a client consent as contemplated under Bar Rule 4-1.7(a)(2), Bar Rule 4-1.7(b)(2), and other similar Bar Rules. Law firms providing services to the County shall comply fully with all Bar Rules, and this Regulation shall not act to excuse compliance therewith.
