Orange County Board of County Commissioners is interested in entering into a contract for Softball Scorekeeper Services for use by our Parks and Recreation Division. To date, we have only found one company B & B Booking Agents interested in entering into a contract with the County.

Any vendor meeting the County's requirements and can provide comparable product to the above is invited to contact Maria Guevara-Hall by email at maria.guevara-hall@ocfl.net. This information will be available for review until **5:00 PM, January 19, 2018**.
