- ii. Payment schedule in all subcontracts and purchase orders (including those with non-M/WBEs) stating that payment will be made to the subconsultant/suppliers within 72 hours of receipt of payment from the County.
- iii. **The following statement: "It is the M/WBE responsibility to submit the required Monthly M/WBE utilization reports to the prime and Final M/WBE payment verification form to Business Development Division."**

- (4) The prime consultant shall submit an updated quarterly MWBE utilization report and the "Employment Data, Schedule of Minorities And Women" report for all professional service contracts. The required reports are to be submitted to the Business Development Division no later than the fifth day after end of reporting period. Payment applications, task authorizations and contract renewals may be delayed if these reports are not submitted every quarter in a timely manner until completion of project indicating final report.

9. The Proposer understands that this RFP does not constitute an agreement or contract with the Proposer.

The Proposer shall ensure that the basic description of the similar project, including all required performance requirements and/or dimensions are *identified* and that the elements are adequately explained in the text. The description shall document how the particular element was performed in conjunction with the overall project. The mere listing of elements without specific details in the body of the description will negatively impact the scoring for the project.

Failure to identify the specific performance requirements and/or dimensions of the project to ensure it meets the similar project description shall negatively impact that project's score.

Note: Determination of a project as similar shall be at the sole discretion of the County.

27. EXPERIENCE OF THE PROJECT TEAM

The project team should include other team members/subconsultants that demonstrate the depth and ability of the Proposing firm to provide the full range of services required in this scope. The Project Team must include the following members at a minimum: professional engineer, a land planner, a surveyor, an environmentalist and a general contractor

It is the responsibility of the Proposer to verify sub consultants and/or other team member’s satisfactory performance on previous Orange County projects.

28. VOLUME OF WORK

The county shall evaluate information in its “Volume of Work” database to determine the Proposers’ scores for the Volume of Work criteria. This information is available on-line at:

<http://www.orangecountyfl.net/VendorServices/VolumeofWorkReport.aspx>

This database includes only the award amounts specifically attributable to the consultant, either as a prime or as a sub-consultant or as a member of a joint venture under previously awarded contracts, contract amendments, purchase orders, task authorizations, and change orders to those purchase orders and task authorizations. In the case of mergers between two or more firms or a parent subsidiary relationship the combined fee for all companies involved will be considered. Fees will be counted towards the Volume of Work at the time of award (not invoices paid). Total fees under negotiation are based on the budget amount for professional services. The end date for volume of work calculations is the date set for receipt of proposal.

Volume of Work is calculated using the following formula:

CONTRACT PERIOD	TOTAL FEE AWARDED TO PRIME CONSULTANT		FACTOR		ADJUSTED FEE AMOUNT
(1) From October 1, 2016 to April 1, 2018	\$	X	1.0	=	\$
(2) First Year Past: 10/01/15- 9/30/16	\$	X	0.75	=	\$
(3) Second Year Past: 10/01/14- 09/30/15	\$	X	0.50	=	\$
(4) Third Year Past: 10/01/13-09/30/14	\$	X	0.25	=	\$
(5) Total Fees Under Negotiation	\$	X	0.90	=	\$
	TOTAL FEE CONSIDERED				\$

Proposers are cautioned that they are responsible for confirming the accuracy of their volume of work data prior to the time and date set for receipt of proposals.

Points will be awarded as follows:

Firms with no previous work with the County as a prime consultant or sub-consultant during the current fiscal year and previous fiscal years

5 Points

Firms with adjusted fees of \$1 through \$2,000,000	4 Points
Firms with adjusted fees of \$2,000,001 through \$3,000,000	3 Points
Firms with adjusted fees of \$3,000,001 through \$4,000,000	2 Points
Firms with adjusted fees of \$4,000,001 through \$5,000,000	1 Point
Firms with adjusted fees exceeding \$5,000,000	0 Points

When a Joint Venture submits a proposal, the volume of work awarded by the County to each Joint Venture firm will be multiplied by the percentage of participation in the Joint Venture by that firm and those adjusted figures totaled to determine the total dollar amount to be used in the category.

SCOPE OF SERVICES

This continuing engineering services contract may be utilized for land acquisition for any Orange County project such as roadways, recreation trails, stormwater ponds, easements, building sites, etc. However, the following standards were written specifically for a roadway project. This scope of services may need to be modified to fit other County projects.

This Scope of Services is specifically for engineering services that may be required for the acquisition of right-of-way for Orange County roadway projects from design review, right-of-way impact analysis and appraisal process through settlement negotiations and the eminent domain process.

These services include review, research and analysis of construction plans, right-of-way maps, title search reports, legal descriptions and sketches of description, and right-of-way acquisition reports in connection with the acquisition of property. These services also include research for specific types of property uses such as analysis of commercial and industrial processes or any research of any type that is involved with right-of-way acquisition and eminent domain. Sites will be analyzed to determine various impacts of the proposed acquisitions on the development potential and utility of the property. Fieldwork will be required to perform the analysis. Reports, graphics, sketches, and engineering cures shall be produced as necessary throughout the acquisition process. Participation in project progress meetings will be required. Engineering support including trial exhibit preparation and expert witness testimony will be required throughout the litigation process, including pre-order of taking meetings, order of taking hearings, mediations, depositions, and value trials.

As the County generates each project, a scope meeting will be called for the County and the Consultant to identify the work to be accomplished, the level of effort, participation by the subconsultants, identification of specialized subconsultants, time frame for work and any other details particular to the scope of work. The Consultant is encouraged to be fully familiar with the properties to be acquired by performing field inspections prior to the submittal of the proposal. The proposal to the County shall contain written scope and costs detailing required man-hours with approved hourly rates, subcontracted services by man-hours and approved rates, proposed schedule and all direct expenses required to complete the task. A sample of the format in which the Consultant should submit his invoices will be provided. Scope and cost proposals shall be submitted within fifteen (15) days of the scope meeting.

The following descriptions provide a minimum standard for reporting and parcel sketch requirements to develop the best quality product for Orange County.

to mitigate any part or all damages created by the acquisition. The Consultant shall analyze and fully discuss the extent of the cure and where necessary provide a general contractor's bid estimate to perform the cure. The bid estimate should be valid for one year. Where a city is involved, it would be preferred for that city to provide concurrence with the cure developed by the general consultant. All cures shall be submitted to Public Works Right-of-Way Acquisition Section for approval prior to finalizing the Right-of-way Acquisition Report. The following items should be considered:

1. Partially remaining buildings and site improvements as well as analysis of setback impacts to remaining improvements utilizing actual survey data. Structural evaluations shall be made with recommendations for cut & face, demolitions or relocations.

III
DESIGN WITHIN FUNDING LIMITATIONS

The following provisions are applicable to contracts for design services:

- A. The CONSULTANT shall accomplish the design services under this Contract, when applicable, so as to permit the award of a contract (using standard Orange County procedures for the construction of the facilities) at a price that does not exceed the estimated construction contract price as set forth in paragraph (c) below. When bids or Proposals for the construction contract are received that exceed the estimated price, the CONSULTANT shall perform such redesign and other services as are necessary to permit contract award within the funding limitation. These additional services shall be performed at no increase in the price of this Contract. However, the CONSULTANT shall not be required to perform such additional services at no cost to the COUNTY, if the unfavorable bids or Proposals results from conditions beyond the CONSULTANT'S reasonable control. The COUNTY shall exercise reasonable commercial judgment in making the controlling determination as to whether such conditions are within the reasonable control of the CONSULTANT.

- B. The CONSULTANT will promptly advise the COUNTY if it finds that the project being designed will exceed or is likely to exceed the funding limitations and it is unable to design a usable facility within these limitations. Upon receipt of such information, the COUNTY will review the CONSULTANT'S revised estimate of construction cost. The COUNTY may, if it determines that the estimated construction contract price set forth in this Contract is so low that award of a construction contract not in excess of such estimate is improbable, authorize a change in scope or materials as required to reduce the estimated construction cost to an amount within the estimated construction contract price set forth in paragraph (c) below, or the COUNTY may adjust such estimated construction contract price via amendment to this Contract. When bids or Proposals are not solicited or are unreasonably delayed, the COUNTY shall prepare an estimate of constructing the design submitted and such estimate shall be used in lieu of bids or Proposals to determine compliance with the funding limitation.

- C. The estimated construction cost for any project under this contract shall not exceed \$2,000,000. Each Task Authorization shall specifically indicate the project's estimated construction cost. Task Authorizations issued for study activities may not exceed \$200,000.

- D. The CONSULTANT and its subsidiaries or affiliates who designed the project shall be ineligible for the award of the construction contract for that project.

- D. South St., Orlando, FL 32801. This information will identify subcontracting elements such as electrical, trucking, sodding, surveying, etc. with the estimated percentage of the total project represented by each subcontracting element.
 - 2. Upon submission of the 100% submittals to the user department, the CONSULTANT shall provide to the Business Development Division an estimate of the percentage of work to be performed under each standard CSI division heading, the total of which shall in all cases equal 100%.

The CONSULTANT shall not sublet, assign or transfer any services under this agreement without the written consent of the COUNTY.
- I. The COUNTY may require in writing that the CONSULTANT remove from the Work any of the CONSULTANT'S personnel that the COUNTY determines to be incompetent, careless or otherwise objectionable. No claims for an increase in Contract Amount or Contract Time based on the COUNTY'S use of this provision will be valid. CONSULTANT shall indemnify and hold the County harmless from and against any claim by CONSULTANT'S personnel on account of the use of this provision.
- J. All final plans and documents prepared by the CONSULTANT must bear the endorsement of a person in the full employ of the CONSULTANT and currently registered as a professional in the State of Florida.

**FREQUENTLY ASKED QUESTIONS (FAQ) ABOUT THE SPECIFIC PROJECT
EXPENDITURE REPORT**

Updated 3-1-11

WHAT IS A SPECIFIC PROJECT EXPENDITURE REPORT (SPR)?

A Specific Project Expenditure Report (SPR) is a report required under Section 2-354(b) of the Orange County Lobbying Ordinance, codified at Article X of Chapter 2 of the Orange County Code, reflecting all lobbying expenditures incurred by a principal and his/her authorized agent(s) and the principal's lobbyist(s), contractor(s), subcontractor(s), and consultant(s), if applicable, for certain projects or issues that will ultimately be decided by the Board of County Commissioners (BCC).

Matters specifically exempt from the SPR requirement are ministerial items, resolutions, agreements in settlement of litigation matters in which the County is a party, ordinances initiated by County staff, and some procurement items, as more fully described in 2.20 of the Administrative Regulations.

Professional fees paid by the principal to his/her lobbyist for the purpose of lobbying need not be disclosed on this form. (See Section 2-354(b), Orange County Code.)

WHO NEEDS TO FILE THE SPR?

The principal or his/her authorized agent needs to complete and sign the SPR and warrant that the information provided on the SPR is true and correct.

A principal that is a governmental entity does not need to file an SPR.

HOW ARE THE KEY RELEVANT TERMS DEFINED?

Expenditure means "a payment, distribution, loan, advance, reimbursement, deposit, or anything of value made by a lobbyist or principal for the purpose of lobbying. This may include public relations expenditures (including but not limited to petitions, flyers, purchase of media time, cost of print and distribution of publications) but does not include contributions or expenditures reported pursuant to Chapter 106, Florida Statutes, or federal election law, campaign-related personal services provided without compensation by individuals volunteering their time, any other contribution or expenditure made by or to a political party, or any other contribution or expenditure made by an organization that is exempt from taxation under 26 U.S.C. s. 527 or s. 501(c)(4)." (See Section 112.3215, Florida Statutes.) Professional fees paid by the principal to his/her lobbyist for the purpose of lobbying are not deemed to be "expenditures." (See Section 2-354, Orange County Code.)

Lobbying means seeking "to encourage the approval, disapproval, adoption, repeal, rescission, passage, defeat or modification of any ordinance, resolution, agreement, development permit, other type of permit, franchise, vendor, consultant, contractor, recommendation, decision or other foreseeable action of the [BCC]," and "include[s] all communications, regardless of whether initiated by the lobbyist or by the person being lobbied, and regardless of whether oral, written or electronic." (See Section 2-351, Orange County Code.) Furthermore, *lobbying* means communicating "directly with the

County Mayor, with any other member of the [BCC], or with any member of a procurement committee.” (See Section 2-351, Orange County Code.) *Lobbying* also means communicating “indirectly with the County Mayor or any other member of the [BCC]” by communicating with any staff member of the Mayor or any member of the BCC, the county administrator, any deputy or assistant county administrator, the county attorney, any county department director, or any county division manager. (See Section 2-351, Orange County Code.) *Lobbying* does not include the act of appearing before a Sunshine Committee, such as the Development Review Committee or the Roadway Agreement Committee other than the BCC.

Principal means “the person, partnership, joint venture, trust, association, corporation, governmental entity or other entity which has contracted for, employed, retained, or otherwise engaged the services of a lobbyist.” *Principal* may also include a person, partnership, joint venture, trust, association, corporation, limited liability corporation, or other entity where it or its employees do not qualify as a lobbyist under the definition set forth in Section 2-351 of the Orange County Code but do perform lobbying activities on behalf of a business in which it has a personal interest.

DOES THE SPR NEED TO BE UPDATED IF INFORMATION CHANGES?

Yes. It remains a continuing obligation of the principal or his/her authorized agent to update the SPR whenever any of the information provided on the initial form changes.

WHERE DO THE SPR AND ANY UPDATES NEED TO BE FILED?

The SPR needs to be filed with the County Department or County Division processing the application or matter. If and when an additional expenditure is incurred subsequent to the initial filing of the SPR, an amended SPR needs to be filed with the County Department or County Division where the original application, including the initial SPR, was filed.

WHEN DO THE SPR AND ANY UPDATES NEED TO BE FILED?

In most cases, the initial SPR needs to be filed with the other application forms. The SPR and any update must be filed with the appropriate County Department or County Division not less than seven (7) days prior to the BCC hearing date so that they may be incorporated into the BCC agenda packet. (See Section 2-354(b), Orange County Code.) When the matter is a discussion agenda item or is the subject of a public hearing, and any additional expenditure occurs less than 7 days prior to BCC meeting date or updated information is not included in the BCC agenda packet, the principal or his/her authorized agent is obligated to verbally present the updated information to the BCC when the agenda item is heard or the public hearing is held. When the matter is a consent agenda item and an update has not been made at least 7 days prior to the BCC meeting or the update is not included in the BCC agenda packet, the item will be pulled from the consent agenda to be considered at a future meeting.

WHO WILL BE MADE AWARE OF THE INFORMATION DISCLOSED ON THE SPR AND ANY UPDATES?

The information disclosed on the SPR and any updates will be a public record as defined by Chapter 119, Florida Statutes, and therefore may be inspected by any interested person. Also, the information will be made available to the Mayor and the BCC members. This information will accompany the other information for the principal's project or item.

CONCLUSION:

We hope you find this FAQ useful to your understanding of the SPR. Please be informed that in the event of a conflict or inconsistency between this FAQ and the requirements of the applicable ordinance governing specific project expenditure reports, the ordinance controls.

Also, please be informed that the County Attorney's Office is not permitted to render legal advice to a principal, his/her authorized agent, or any other outside party. Accordingly, if after reading this FAQ the principal, his/her authorized agent or an outside party has any questions, he/she is encouraged to contact his/her own legal counsel.

The Relationship Disclosure Form (form OC CE 2D and form OC CE 2P) is a form created pursuant to the County's Local Code of Ethics, codified at Article XIII of Chapter 2 of the Orange County Code, to ensure that all development-related items and procurement items presented to or filed with the County include information as to the relationship, if any, between the applicant and the County Mayor or any member of the Board of County Commissioners (BCC). The form will be a part of the backup information for the applicant's item.

WHAT INFORMATION NEEDS TO BE DISCLOSED ON THE RELATIONSHIP DISCLOSURE FORM?

The relationship disclosure form needs to disclose pertinent background information about the applicant and the relationship, if any, between, on the one hand, the applicant and, if applicable, any person involved with the item, and on the other hand, the Mayor or any member of the BCC.

In particular, the applicant needs to disclose whether any of the following relationships exist: (1) the applicant is a business associate of the Mayor or any member of the BCC; (2) any person involved with the approval of the item has a beneficial interest in the outcome of the matter *and* is a business associate of the Mayor or any member of the BCC; (3) the applicant is a relative of the Mayor or any member of the BCC; or (4) the Mayor or any member of the BCC is an employee of the applicant. (See Section 2-454, Orange County Code.)

If changes are made after the initial filing, the final, cumulative Relationship Disclosure Form needs to be filed with the appropriate County Department or County Division processing the application not less than seven (7) days prior to the scheduled BCC agenda date so that it may be incorporated into the BCC agenda packet. When the matter is a discussion agenda item or is the subject of a public hearing, and an update has not been made at least 7 days prior to BCC meeting date or is not included in the BCC agenda packet, the applicant is obligated to verbally present such update to the BCC when the agenda item is heard or the public hearing is held. When the matter is a consent agenda item and an update has not been made at least 7 days prior to the BCC meeting or the update is not included in the BCC agenda packet, the item will be pulled from the consent agenda to be considered at a future meeting.

WHO WILL REVIEW THE INFORMATION DISCLOSED ON THE RELATIONSHIP DISCLOSURE FORM AND ANY UPDATES?

The information disclosed on this form and any updates will be a public record as defined by Chapter 119, Florida Statutes, and may therefore be inspected by any interested person. Also, the information will be made available to the Mayor and the BCC members. This form and any updates will accompany the information for the applicant's project or item.

However, for development-related items, if an applicant discloses the existence of one or more of the relationships described above and the matter would normally receive final consideration by the Concurrency Review Committee or the Development Review Committee, the matter will be directed to the BCC for final consideration and action following committee review.
