

June 26, 2019
BOARD OF COUNTY COMMISSIONERS
ORANGE COUNTY, FLORIDA
Y19-1128-RM / Addendum No. 2
ASPHALT MILLING AND RESURFACING WITH FRICTION COURSE AND ASPHALT
BERMS
BID OPENING DATE IS July 2, 2019

This addendum is hereby incorporated into the bid documents of the project referenced above. The following items are clarifications, corrections, additions, deletions and/or revisions to, and shall take precedence over, the original documents. Underlining indicates additions, deletions are indicated by ~~striketrough~~.

A. The bid opening date remains July 2, 2019.

B. The following are questions/responses/clarifications:

1. Will this contract be awarded to more than one bidder? If so, how many?

Response: Please refer to addendum# 1

2. What are the start and finish dates for the Base Year, Option Year 1, and Option Year 2?

Response: This dates are set once the Board of County Commissioners approves to award the contract.

3. Are the leveling, base repair, and asphalt berms restricted to 25% RAP?

Response: All mixes used under this contract shall be FDOT approved and adhere to contract specifications inclusive of containing no more than 25% RAP. The same mix design approved by the County must be used for the duration of each project unless otherwise specified by Orange County. There are no exceptions for alternate mix designs regarding leveling, base repairs or berms.

4. Please confirm the SP 12.5 asphalt items contain PG 58-22.

Response: In consistency with Orange County Road Specifications, asphalt rubber binders shall not be used. However, PG 58-22 asphalt binder meeting the requirements of FDOT Standard Specifications for Road and Bridge Construction 916 may be permitted at the time a FDOT approved mix design is submitted to Orange County for approval

5. Please confirm the SP FC 9.5 items contain PG 76-22.

Response: In consistency with Orange County Road Specifications, asphalt rubber binders shall not be used. However, PG76-22 asphalt binder meeting the requirements of FDOT Standard Specifications for Road and Bridge Construction 916 can be used.

C. All other terms, conditions and specifications remain the same.

The Bidder shall acknowledge receipt of this addendum by completing the applicable section in the solicitation or by completion of the acknowledgement information on the addendum. Either form of acknowledgement must be completed and returned not later than the date and time for receipt of the bid.
