B. QUESTIONS & ANSWERS:

- 1. Question:** I'm reaching out regarding the solicitation received yesterday. From what I can tell in the attached bid document, the scope of requested services are exclusively for litigation/trial attorney work. Our firm is a trial consulting and jury research firm – we conduct mock trials, focus groups, witness preparation, and in court jury selection. We work with many of the firms addressed in your email, so I was not sure as to whether you were requesting a bid for jury research and trial consulting services associated with the impending litigation in your RFP (or if your email was sent to us in error). To the extent you are requesting a bid for jury research and/or trial consulting services, can someone please provide me with information/documents denoting the scope of services requested?

Answer: The scope of requested services is exclusively for litigation/trial attorney representation. The RFP documents and all open solicitations can be viewed by accessing the following link:
