11. CONTRACT TERM/RENEWAL

- A. The contract resulting from this Invitation for Bids shall commence effective upon issuance of a term contract by the County and extend for a period of one (1) year. The contract may be renewed for four (4) additional one (1) year periods, upon mutual agreement of both parties. - B. The initiating County department(s) shall issue delivery/purchase orders against the term contract on an "as needed" basis.

- C. If the quantity of a unit priced item in this contract is an estimated quantity and the actual quantities ordered are more than 50% above the estimated quantity, the County shall enter into negotiations with the Contractor for a lower unit price which shall be incorporated into the contract. Failure of the Contractor to agree to a reduced unit price may result in the termination of the contract and re-solicitation of the requirement.
- D. Any order issued during the effective period of this contract, but not completed within that period, shall be completed by the Contractor within the time specified in the order. The contract shall govern the Contractor's and the County's rights and obligations with respect to that order to the extent as if the order were completed during the contract performance period.

12. PRICING

The County requires a firm price for the entire contract period. Invoices shall be reviewed to confirm compliance with contract pricing. Failure to hold prices firm shall be grounds for immediate termination of the contract.

13. PRICE ESCALATION/DE-ESCALATION (CPI)

The County may allow a price escalation provision within this award.

The original contract prices shall be firm for the entirety of the initial (1 year) contract period. A price escalation/de-escalation will be considered at the time of contract renewal and at 1-year intervals thereafter, provided the Contractor notifies the County, in writing, of the pending price escalation/de-escalation a minimum of sixty (60) days prior to the contract renewal date. Price adjustments shall be based on the latest version of the Consumers Price Index (CPI-U) for All Urban Consumers, All Items, U.S. City Average, non-seasonal, as published by the U.S. Department of Labor, Bureau of Labor Statistics. This information is available at www.bls.gov.

Price adjustment shall be calculated by applying the simple percentage model to the CPI data. This method is defined as subtracting the base period index value (at the time of initial award) from the index value at time of calculation (latest version of the CPI published as of the date of request for price adjustment), divided by the base period index value to identify percentage of change, then multiplying the percentage of change by 100 to identify the percentage change. Formula is as follows:

$$\text{Current Index} - \text{Base Index} / \text{Base Index} = \% \text{ of Change}$$

$$\% \text{ of Change} \times 100 = \text{Percentage Change}$$

CPI-U Calculation Example:

CPI for current period	232.945
Less CPI for base period	229.815
Equals index point change	3.130
Divided by base period CPI	229.815
Equals	0.0136
Result multiplied by 100	0.0136 x 100
Equals percent change	1.4%

A price increase may be requested only at each time interval specified above, using the methodology outlined in this section. To request a price increase, Contractor shall submit a letter stating the percentage amount of the requested increase and adjusted price to the Orange County Procurement Division. The letter shall include the complete calculation utilizing the formula above, and a copy of the CPI-U index table used in the calculation. The maximum allowable increase shall not exceed 4%, unless authorized by the Manager, Procurement Division. If approved, the price adjustment shall become effective on the contract renewal date. All price adjustments must be accepted by the Manager, Procurement Division and shall be memorialized by written amendment to this contract. No retroactive contract price adjustments will be allowed.

Should the CPI-U for All Urban Consumers, All Items, U.S City Average, as published by the U.S. Department of Labor, Bureau of Labor Statistics decrease during the term of the contract, or any renewals, the Contractor shall notify the Orange County Procurement Division of price decreases in the method outlined above. If approved, the price adjustment shall become effective on the contract renewal date. If the Contractor fails to pass the decrease on to the County, the County reserves the right to place the Contractor in default, cancel the award, and remove the Contractor from the County Vendor List for a period of time deemed suitable by the County. In the event of this occurrence, the County further reserves the right to utilize any options as stated herein.

If the County urgently requires delivery of goods or services before the earliest date that delivery may be required under this contract, and if the contractor will not accept an order providing for accelerated delivery, the County may acquire the goods or services from another source.

SECTION 3
SPECIFICATIONS / SCOPE OF SERVICES

SCOPE OF SERVICES

PARENTING INSIDE OUT PROGRAM

INTRODUCTION:

The Parenting Inside Out (PIO) is an evidence-based, cognitive-behavioral parent management skills training program created for incarcerated parents.

The PIO Program is designed to create a safe, secure environment where the parents can learn the skills to help their children stay connected and learn to lead healthy, prosocial lives. At the core of PIO is the Parent Management Training curriculum, which appears on numerous national-level best practice lists, including the US Department of Justice. The Parent Management Training curriculum includes communication, problem solving, monitoring, positive reinforcement, and non-violent discipline techniques.

PIO is an outcomes-based, developmentally-focused program that helps parents promote healthy child adjustment, prevent child problem behavior, and interrupt a cycle of intergenerational criminality.

The creators of the PIO Program report the following research information as justification as to why it is so important to offer parenting classes to those who are incarcerated:

- a. According to the Bureau of Justice Statistics, the number of individuals incarcerated in prisons and jails in the United States had reached almost 1.6 million by the end of 2008. One in every 99 U.S. residents is in prison or jail (Pew Center, 2008). One in every 31 Americans is incarcerated or on parole/probation (Pew Center, 2008).
- b. Approximately, 10 million children nationwide have a parent who has been incarcerated. 2.3 million of those children, or roughly one child out of every 30, currently has a parent in state or federal prison.
- c. Because of the negative impact on the children, these children are twice as likely as the other children to be involved in state services, such as Temporary Assistance for Needy Families (TANF), mental health services and Child Protective Services. (Washington State Department of Social and Health Services 2008).

In order to help provide these families with the support they need, Orange County Corrections Department, in collaboration with the awarded vendor will facilitate the Parenting Inside Out Program.

TARGET POPULATION:

The PIO Program gives priority to sentenced inmates, and, based upon available space, pre-sentenced inmates, currently those incarcerated at Orange County Corrections and those who meet the criteria to participate in the PIO Program. Of this population, those inmates with open case plans are given high priority.

PROGRAM SERVICES:

The Contractor shall provide the following services, including but not limited to:

3. Inclusionary criteria for persons selected for group shall include inmates who are parents regardless if the children live with them or with another care-taker and who are willing to actively/appropriately participate in weekly group sessions for 10 sessions. Exclusionary criteria for persons to be rejected from the group process may include but is not limited to: inmates, who are expected to be released in less than 6 weeks, pose a safety threat to themselves or others are unwilling to actively/appropriately participate in the group process and those inmates restricted from the program based on security factors.
4. Each participant shall go through the class as follows:
 - a. Attend & participate in 10/2 hour classes with a total of 20 hours of instruction, to include education and future pregnancy prevention component.

5. The 20-hour PIO class shall have no more than fifteen (15) inmates. Program consists of ten (10) 2-hour classes. These classes shall be facilitated by two (2) teachers assigned to the program.
6. In order to measure inmate satisfaction and learning, the Contractor shall use a Pre/Posttest as an evaluation method. The Contractor shall achieve a 75% of higher rate of satisfaction with services and a 50% improvement rate in learning.

ABOUT THE
RELATIONSHIP DISCLOSURE FORM
Updated 6-28-11

WHAT IS THE RELATIONSHIP DISCLOSURE FORM?

The Relationship Disclosure Form (form OC CE 2D and form OC CE 2P) is a form created pursuant to the County's Local Code of Ethics, codified at Article XIII of Chapter 2 of the Orange County Code, to ensure that all development-related items and procurement items presented to or filed with the County include information as to the relationship, if any, between the applicant and the County Mayor or any member of the Board of County Commissioners (BCC). The form will be a part of the backup information for the applicant's item.

WHY ARE THERE TWO RELATIONSHIP DISCLOSURE FORMS?

Form OC CE 2D is used only for development-related items, and form OC CE 2P is used only for procurement-related items. The applicant needs to complete and file the form that is applicable to his/her case.

WHO NEEDS TO FILE THE RELATIONSHIP DISCLOSURE FORM?

Form OC CE 2D should be completed and filed by the owner of record, contract purchaser, or authorized agent. Form OC CE 2P should be completed and filed by the bidder, offeror, quoter, or respondent, and, if applicable, their authorized agent. In all cases, the person completing the form must sign the form and warrant that the information provided on the form is true and correct.

WHAT INFORMATION NEEDS TO BE DISCLOSED ON THE RELATIONSHIP DISCLOSURE FORM?

The relationship disclosure form needs to disclose pertinent background information about the applicant and the relationship, if any, between, on the one hand, the applicant and, if applicable, any person involved with the item, and on the other hand, the Mayor or any member of the BCC.

In particular, the applicant needs to disclose whether any of the following relationships exist: (1) the applicant is a business associate of the Mayor or any member of the BCC; (2) any person involved with the approval of the item has a beneficial interest in the outcome of the matter *and* is a business associate of the Mayor or any member of the BCC; (3) the applicant is a relative of the Mayor or any member of the BCC; or (4) the Mayor or any member of the BCC is an employee of the applicant. (See Section 2-454, Orange County Code.)

HOW ARE THE KEY RELEVANT TERMS DEFINED?

Applicant means, for purposes of a development-related project, the owner, and, if applicable, the contract purchaser or owner's authorized agent. For a procurement item, the Relationship Disclosure Form and any update need to be filed with the Procurement Division.

WHEN DO THE RELATIONSHIP DISCLOSURE FORM AND ANY UPDATES NEED TO BE FILED?

In most cases, the initial form needs to be filed when the applicant files the initial development-related project application or initial procurement-related forms. However, with respect to a procurement item, a response to a bid will not be deemed unresponsive if this form is not included in the initial packet submitted to the Procurement Division.

If changes are made after the initial filing, the final, cumulative Relationship Disclosure Form needs to be filed with the appropriate County Department or County Division processing the application not less than seven (7) days prior to the scheduled BCC agenda date so that it may be incorporated into the BCC agenda packet. When the matter is a discussion agenda item or is the subject of a public hearing, and an update has not been made at least 7 days prior to BCC meeting date or is not included in the BCC agenda packet, the applicant is obligated to verbally present such update to the BCC when the agenda item is heard or the public hearing is held. When the matter is a consent agenda item and an update has not been made at least 7 days prior to the BCC meeting or the update is not included in the BCC agenda packet, the item will be pulled from the consent agenda to be considered at a future meeting.

WHO WILL REVIEW THE INFORMATION DISCLOSED ON THE RELATIONSHIP DISCLOSURE FORM AND ANY UPDATES?

The information disclosed on this form and any updates will be a public record as defined by Chapter 119, Florida Statutes, and may therefore be inspected by any interested person. Also, the information will be made available to the Mayor and the BCC members. This form and any updates will accompany the information for the applicant's project or item.

However, for development-related items, if an applicant discloses the existence of one or more of the relationships described above and the matter would normally receive final consideration by the Concurrency Review Committee or the Development Review Committee, the matter will be directed to the BCC for final consideration and action following committee review.

FREQUENTLY ASKED QUESTIONS (FAQ)
ABOUT THE
SPECIFIC PROJECT EXPENDITURE REPORT
Updated 3-1-11

WHAT IS A SPECIFIC PROJECT EXPENDITURE REPORT (SPR)?

A Specific Project Expenditure Report (SPR) is a report required under Section 2-354(b) of the Orange County Lobbying Ordinance, codified at Article X of Chapter 2 of the Orange County Code, reflecting all lobbying expenditures incurred by a principal and their authorized agent(s) and the principal's lobbyist(s), contractor(s), subcontractor(s), and Contractor(s), if applicable, for certain projects or issues that will ultimately be decided by the Board of County Commissioners (BCC).

Matters specifically exempt from the SPR requirement are ministerial items, resolutions, agreements in settlement of litigation matters in which the County is a party, ordinances initiated by County staff, and some procurement items, as more fully described in 2.20 of the Administrative Regulations.

Professional fees paid by the principal to his/her lobbyist for the purpose of lobbying need not be disclosed on this form. (See Section 2-354(b), Orange County Code.)

WHO NEEDS TO FILE THE SPR?

The principal or his/her authorized agent needs to complete and sign the SPR and warrant that the information provided on the SPR is true and correct.

A principal that is a governmental entity does not need to file an SPR.

HOW ARE THE KEY RELEVANT TERMS DEFINED?

Expenditure means “a payment, distribution, loan, advance, reimbursement, deposit, or anything of value made by a lobbyist or principal for the purpose of lobbying. This may include public relations expenditures (including but not limited to petitions, flyers, purchase of media time, cost of print and distribution of publications) but does not include contributions or expenditures reported pursuant to Chapter 106, Florida Statutes, or federal election law, campaign-related personal services provided without compensation by individuals volunteering their time, any other contribution or expenditure made by or to a political party, or any other contribution or expenditure made by an organization that is exempt from taxation under 26 U.S.C. s. 527 or s. 501(c)(4).” (See Section 112.3215, Florida Statutes.) Professional fees paid by the principal to his/her lobbyist for the purpose of lobbying are not deemed to be “expenditures.” (See Section 2-354, Orange County Code.)

Lobbying means seeking “to encourage the approval, disapproval, adoption, repeal, rescission, passage, defeat or modification of any ordinance, resolution, agreement, development permit, other type of permit, franchise, vendor, Contractor, contractor, recommendation, decision or other foreseeable action of the [BCC],” and “include[s] all communications, regardless of whether initiated by the lobbyist or by the person being lobbied, and regardless of whether oral, written or electronic.” (See Section 2-351, Orange County Code.) Furthermore, *lobbying* means communicating “directly with the County Mayor, with any other member of the [BCC], or with any member of a procurement committee.” (See Section 2-351, Orange County Code.) *Lobbying* also

means communicating “indirectly with the County Mayor or any other member of the [BCC]” by communicating with any staff member of the Mayor or any member of the BCC, the county

administrator, any deputy or assistant county administrator, the county attorney, any county department director, or any county division manager. (See Section 2-351, Orange County Code.) *Lobbying* does not include the act of appearing before a Sunshine Committee, such as the Development Review Committee or the Roadway Agreement Committee other than the BCC.

Principal means “the person, partnership, joint venture, trust, association, corporation, governmental entity or other entity which has contracted for, employed, retained, or otherwise engaged the services of a lobbyist.” *Principal* may also include a person, partnership, joint venture, trust, association, corporation, limited liability corporation, or other entity where it or its employees do not qualify as a lobbyist under the definition set forth in Section 2-351 of the Orange County Code but do perform lobbying activities on behalf of a business in which it has a personal interest.

DOES THE SPR NEED TO BE UPDATED IF INFORMATION CHANGES?

Yes. It remains a continuing obligation of the principal or his/her authorized agent to update the SPR whenever any of the information provided on the initial form changes.

WHERE DO THE SPR AND ANY UPDATES NEED TO BE FILED?

The SPR needs to be filed with the County Department or County Division processing the application or matter. If and when an additional expenditure is incurred subsequent to the initial filing of the SPR, an amended SPR needs to be filed with the County Department or County Division where the original application, including the initial SPR, was filed.

WHEN DO THE SPR AND ANY UPDATES NEED TO BE FILED?

In most cases, the initial SPR needs to be filed with the other application forms. The SPR and any update must be filed with the appropriate County Department or County Division not less than seven (7) days prior to the BCC hearing date so that they may be incorporated into the BCC agenda packet. (See Section 2-354(b), Orange County Code.) When the matter is a discussion agenda item or is the subject of a public hearing, and any additional expenditure occurs less than 7 days prior to BCC meeting date or updated information is not included in the BCC agenda packet, the principal or his/her authorized agent is obligated to verbally present the updated information to the BCC when the agenda item is heard or the public hearing is held. When the matter is a consent agenda item and an update has not been made at least 7 days prior to the BCC meeting or the update is not included in the BCC agenda packet, the item will be pulled from the consent agenda to be considered at a future meeting.

WHO WILL BE MADE AWARE OF THE INFORMATION DISCLOSED ON THE SPR AND ANY UPDATES?

The information disclosed on the SPR and any updates will be a public record as defined by Chapter 119, Florida Statutes, and therefore may be inspected by any interested person. Also, the information will be made available to the Mayor and the BCC members. This information will accompany the other information for the principal’s project or item.

CONCLUSION:

We hope you find this FAQ useful to your understanding of the SPR. Please be informed that in the event of a conflict or inconsistency between this FAQ and the requirements of the applicable ordinance governing specific project expenditure reports, the ordinance controls.

Also, please be informed that the County Attorney's Office is not permitted to render legal advice to a principal, his/her authorized agent, or any other outside party. Accordingly, if after reading this FAQ the principal, his/her authorized agent or an outside party has any questions, he/she is encouraged to contact his/her own legal counsel.

C. **Reporting to Individuals.** In the case of a breach of PHI or PII discovered by the Business Associate, the Business Associate shall first notify the County of the pertinent details of the breach and, upon prior approval of the County's Privacy Officer, shall notify each individual whose unsecured PHI or PII has been, or is reasonably believed by the Business Associate to have been, accessed, acquired or disclosed as a result of such breach. Such notification shall be in writing by first-class mail to the individual (or the next of kin if the individual is deceased) at the last known address of the individual or next of kin, respectively, or, if specified as a preference by the individual, by electronic mail. Where there is insufficient or out-of-date contact information (including a phone number, email address, or any other form of appropriate communication) that precludes written (or, if specifically requested, electronic) notification to the individual, a substitute form of notice shall be provided, including, in the case that there are ten (10) or more individuals for which there is insufficient or out-of-date contact information, a conspicuous posting on the web site of the Business Associate involved or notice in major print or broadcast media, including major media in the geographic areas where the individuals affected by the breach are likely to reside. In any case deemed by the Business Associate to require urgency because of possible imminent misuse of unsecured PHI or PII, the Business Associate may also provide information to individuals by telephone or other means, as appropriate.

D. **Reporting to Media.** In the case of a breach of PHI discovered by the Business Associate where the unsecured PHI of more than five hundred (500) persons or unsecured PII of more than five hundred (500) persons is reasonably believed to have been, accessed, acquired, or disclosed, after prior approval by the County, the Business Associate shall provide notice to prominent media outlets serving the state or relevant portion of the state involved.

E. **Reporting to HHS and the State of Florida Department of Legal Affairs.** The Business Associate shall cooperate with the County to provide notice to the Secretary of HHS of unsecured PHI and to the State of Florida, Department of Legal Affairs, of unsecured PII that has been acquired or disclosed in a breach. If the breach was with respect to five hundred (500) or more individuals, such notice must be provided immediately. If the breach was with respect to less than five hundred (500) individuals, the Business Associate may maintain a log of such breach occurring and annually submit such log to the County so that it may satisfy its obligation to notify the Secretary of HHS documenting such breaches occurring in the year involved.

F. **Content of Notices.** All notices and reports required under this Addendum shall include the content set forth 45 C.F.R § 164.404 and FIPA. Notification to individuals, except that references therein to a "Covered Entity," shall be read as references to the Business Associate.

1. Regardless of the method by which notice is provided to individuals under this section, notice of a breach shall include, to the extent possible, the following: (a) a brief description of what happened, including the date of the breach and the date of the discovery of the breach, if known; (b) a description of the types of unsecured PHI and PII that were involved in the breach (such as full name, social security number, date of birth, home address, account number, or disability code); (c) the steps individuals should take to protect themselves from potential harm resulting from the breach; (d) a brief description of what the covered entity involved is doing to investigate the breach, to mitigate losses, and to protect against any further breaches; and (e) contact procedures for individuals to ask questions or learn additional information, which shall include a toll free telephone number, an e-mail address, web site, or postal address.

G. **Notice to Credit Reporting Agencies.** In the case of a breach of PII discovered by the Business Associate where the unsecured PII of more than one thousand (1000) individuals has reasonably believed to have been, accessed, acquired, or disclosed, after prior approval by the County, the Business Associate shall notify all consumer reporting agencies nationwide, that complete and maintain files in accordance with the provisions of §501.171(5), Florida Statutes.

H. **Financial Responsibility.** The Business Associate shall be responsible for all costs related to the notice required by this Section.

I. **Mitigation.** The Business Associate shall mitigate, to the extent practicable, any harmful effects that are known to the Business Associate of use or disclosure of PHI or PII in violation of this Addendum, the HIPAA Privacy and Security Rules, HITECH Act, and FIPA.

J. A violation of this Section shall be a material violation of this Addendum.

Section 8. Termination

A. **Automatic Termination.** The County is authorized to automatically terminate the Agreement, if it determines that the Business Associate has violated a material term of this Addendum.

B. **Opportunity to Cure or Terminate.** At the County's sole discretion, the County may either: (1) provide notice of breach and an opportunity for the Business Associate to reasonably and promptly cure the breach or end the violation and terminate the Agreement if the Business Associate does not cure the breach, or end the violation within the reasonable time specified by the County; or (2) immediately terminate the Agreement if the Business Associate has breached a material term of this Addendum and cure is not possible.

C. **Effects of Termination.** Termination of the Agreement shall not affect any claim or rights that may arise based on the acts or omissions of the Parties prior to the effective date of termination.

D. **Duties of Business Associate Upon Termination of the Agreement.**

1. When the Agreement is terminated, the PHI and PII that the Business Associate received from, created, or received on behalf of the County must be destroyed or returned to the County, at the Business Associate's expense, including all PHI and PII in the possession of the Business Associate's subcontractors or agents. However, if the Business Associate determines that returning or destroying PHI and PII is not feasible, the Business Associate must maintain the privacy protections under this Addendum, and according to applicable law, for as long as the Business Associate retains the PHI and PII, and the Business Associate may only use or disclose the PHI and PII for specific uses or disclosures that make it necessary for the Business Associate to retain the PHI and PII.
2. If the Business Associate determines that it is not feasible for the Business Associate to return PHI or PII in the subcontractor's or agent's possession, the Business Associate must provide a written explanation to the County of such reasons and require the subcontractors and agents to agree to extend any and all protections, limitations, and restrictions contained in this Addendum to the subcontractor's or agent's use or disclosure of any PHI and PII retained after the termination of the Agreement, and to limit any further uses or disclosures for the purposes that make the return or destruction of the PHI or PII not feasible.

Section 9. Miscellaneous

- A. **Agreement Subject to All Applicable Laws.** The Parties recognize and agree that the Agreement, and any and all activities performed thereunder, is governed by federal, state, and local laws, including the regulations, rules, and policies of the U.S. Department of Health and Human Services including, but not limited to, HIPAA Privacy and Security Rules, FIPA, and their accompanying regulations. The Parties further recognize and agree that the Agreement is subject to new legislation as well as amendments to government regulations, rules, and police, and agree to amend this Addendum accordingly.
- B. **No Third Party Beneficiaries.** Nothing expressed or implied in this Addendum is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties any rights, remedies, obligations, or liabilities whatsoever.
- C. **Survival.** The rights and obligations of the Parties in Sections 4, 5, 6, 7 in their entirety, as well as subsections 8D., 9E., 9G., and 9H., shall survive termination of the Agreement indefinitely.
- D. **Amendment.** This Addendum may only be revoked, amended, changed, or modified by a written amendment that is executed by both Parties.
- E. **Enforcement Costs and Attorneys Fees.** If any legal action or other proceedings, including arbitration, is brought for the enforcement of this Addendum, or because of an alleged dispute, breach, default, or misrepresentation in connection with any provision of this Addendum, each Party will hereby be responsible for its own costs and attorneys' fees.

F. **Interpretation.** Any ambiguity in this Agreement shall be resolved in favor of a meaning that permits the County to comply with the Privacy and Security Rules.

G. **Indemnification.** To the fullest extent permitted by law, the Business Associate shall defend, indemnify, and hold harmless the County, its officials, agents, and employees from and against any and all claims, suits, judgments, demands, liabilities, damages, costs, and expenses (including attorney's fees) of any kind or nature whatsoever arising directly or indirectly out of or caused in whole or part by any act or omission of the Business Associate, anyone directly or indirectly employed by them, or anyone for whose acts any of them may be liable; excepting those acts or omissions arising out of the sole negligence of the County. In the event the Business Associate is a state department or division, or a political subdivision of the State of Florida, indemnification shall follow the provisions of §768.28, Florida Statutes.

H. **Signatory Authority.** Each signatory to this Addendum represents and warrants that he or she possesses all necessary capacity and authority to act for, sign, and bind the respective entity or person on whose behalf he or she is signing.

I. **Governing Law.** This Addendum shall be governed by and construed in accordance with the laws of the State of Florida to the extent not preempted by the HIPPA Privacy Rules or other applicable federal law.

J. **Notice.** All notices and other communications under this Addendum shall be in writing and shall be deemed received when delivered personally or when deposited in the U.S. mail, postage prepaid, sent registered, or certified mail, return receipt requested, or sent via nationally recognized and receipted overnight courier service, to the Parties at their respective principal office or record as set forth below or as designed in writing from time-to-time. No notice of a change of address shall be effective until received by the other Party(ies).

To the Business Associate:

K. **Severability.** If any provision of this Addendum, or the application thereof to any person or circumstance, shall to any extent be invalid or unenforceable, the remainder of this Addendum, or the application of such affected provision to persons or circumstances other than those to which

it is held invalid or unenforceable, shall not be affected thereby, and each provision of this Addendum shall be valid and shall be enforced to the fullest extent permitted by law. It is further the intention of the Parties that if any provision of this Addendum were capable of two constructions, one that rendered the provision void and one that renders the provision valid, then the provision shall have the meaning that renders it valid.

L. **Successors and Assigns.** The Business Associate shall not assign either its obligations or benefits under this Addendum without the expressed written consent of the County, which shall be at the sole discretion of the County. Given the nature of this Agreement, neither subcontracting nor assignment by the Business Associate is anticipated and the use of those terms herein does not indicate that permission to assign or subcontract has been granted.

M. **Venue and Waiver of Jury Trial.** Any action or proceeding seeking to enforce any provision, or based on any right arising out of this Addendum shall be brought in the federal or state courts located in Orange County, Florida, and each of the Parties consents to the jurisdiction of such courts (and of the appropriate appellate courts) in any such action or proceeding and waives any objection to venue therein. Any and all rights to a trial by jury are hereby waived.

N. **Waiver and Breach.** No failure by a Party to insist upon the strict performance of any covenant, agreement, term, or condition of this Addendum shall constitute a waiver of any such breach or such covenant, agreement, term, or condition. Any Party may waive compliance by the other Party with any of the provisions of this Addendum if done so in writing. No waiver of any provision shall be construed as a waiver of any other provision or any subsequent waiver of the same provision.

O. **Entire Agreement.** The Agreement, this Addendum and/or any additional addenda or amendments to the Agreement, any documents incorporated herein by reference, and/or attachments hereto, shall construe the entire understanding between the Parties as to the rights, obligations, duties, and services to be performed hereunder.

IN WITNESS HEREOF, the parties have executed this Addendum as of the date first above written.
