**BOARD OF COUNTY COMMISSIONERS**  
**ORANGE COUNTY, FLORIDA**  
**ADDENDUM NO. 5 / IFB Y19-773-RM**  
**ORANGE COUNTY CLASS III LANDFILL ACCESS ROAD IMPROVEMENTS**  
**BID OPENING DATE: August 8, 2019**

This addendum is hereby incorporated into the bid documents of the project referenced above. The following items are clarifications, corrections, additions, deletions, and/or revisions to and shall take precedence over the original documents. Additions are indicated by underlining; deletions are indicated by ~~strikethrough~~.

**A. The bid opening date remains August 8, 2019**

**B. The following are questions/responses/clarifications:**

**1.** Question about the Asphalt Milling Area, it is not clarified what the purpose of this area is, does the millings, if any generated, belong to the county? The typical section for this project says to reconstruct the roadway, is the road supposed to be milled to the existing base then reconstructed? Furthermore, is it required that all debris be disposed of at the Young Pine Landfill?

**RESPONSE:** All millings and/or excavated soils from the demolished roads are to be brought to the Asphalt Milling Area for use by the County. The road shall be reconstructed to the elevations shown in the plans. If trash is found during excavation, it can be brought to our Class I Landfill free of charge, or wherever the contractor wishes to dispose of the waste material.

**C. All other term and conditions of the IFB remain the same.**

**The Bidder shall acknowledge receipt of this addendum by completing the applicable section in the solicitation or by completion of the acknowledgement information on the addendum. Either form of acknowledgement must be completed and returned not later than the date and time for receipt of the bid.**
