**BOARD OF COUNTY COMMISSIONERS
ORANGE COUNTY, FLORIDA
ADDENDUM NO. 5 / RFP Y19-818-TA
Eastern WRF Phase 6A Plant Reclaimed Water System Expansion Project**

RFP OPENING DATE: May 30, 2019

This Addendum is hereby incorporated into the bid documents of the project referenced above. The following items are clarifications, corrections, additions, deletions and/or revisions to and shall take precedence over the original documents. Deletions are noted by ~~strikethrough~~ and additions via underline.

1. Question and Answer:

Q: Is the water and wastewater facilities program management consultant precluded from submitting (as prime or sub consultant) based on the following Facilities Program Management contract language?

“Furthermore, the Consultant will not be eligible to compete for final design services under a separate contract if the County determines that the Consultant’s program management services create a potential conflict of interest.”

Answer: For this particular solicitation, the County will allow the Program Management Consultant, Carollo Engineers, to participate as a sub consultant but not as the prime consultant. Furthermore, the proposed Project Manager and Project Engineer for this solicitation shall not be currently employed by Carollo Engineers, Inc. on the due date of the RFP or zero points will be issued for each project submitted.

2. All other terms and conditions of the RFP remain the same.

3. The Proposer shall acknowledge receipt of this addendum by completing the applicable section in the solicitation or by completion of the acknowledgement information on the addendum. Either form of acknowledgement must be completed and returned not later than the date and time for receipt of the proposal.
