DELETION: Delete ~~Section 013220 Photographic Documentation~~ in its entirety

C. Questions and Answers:

1. Question: Can CCS (Cintron Consultant Services) be added to the approved vendor list?

Answer: Bidders are required to submit per the Solicitation documents. Please see page C 14 No. 7. Substitute Material and Equipment:

2. Question: Please confirm we don't need to have redundant IO modules only redundant CPUs for the PLCs.

Answer: Redundant I/O modules are not required for the project.

3. Question: Please confirm if we need to add door DPS to the Roll Gates and how many are needed.

Answer: Provide magnetic roll-up door switched with tamper protection for each roll-up door.

4. Question: Please clarify Section 285202 Part 2 2.01 C Items 9, 10, 12. Does this mean that the customer will have a development license and someone trained on Wonderware to make the necessary changes?

Answer: County or County selected contractor will have software development license and required training to make any future modifications/ alterations / changes to software after acceptance of this scope of work.

5. Question: Can we use "copper" Ethernet instead of Fiber Optics if our distances permit so?

Answer: Copper data / communications cabling is acceptable within BICSI standards.

6. **Question:** Please confirm the touch screen size as in the pre-bid meeting is was mentioned 19 inches.

Answer: 19 inch Touchscreen monitors are required for console operations. Contractor can utilize smaller monitor for server if desired.

7. **Question:** Where is the main server going to be located? Rackmount? If yes is current rack space available at location?

Answer: Provide floor standing 18U rack for equipment directly behind existing console. Monitor can be placed on top of rack.

8. **Question:** Do we need a KVM switch for the main server?

Answer: Contractor can utilize KVM switch for server or provide separate monitor, keyboard and mouse at their discretion. Server monitor, keyboard, and mouse can be placed directly on top of floor cabinet.

9. **Question:** Can you please explain what specifically is required for the project from specification section 013220 Photographic Documentation?

Answer: Specification Section 013220 Photographic Documentation do not pertain to this project. Please exclude.
