

Thank you for your interest in listing your property with Orange County Housing.

Step 1 : Attend or register for a landlord (registration.asp) briefing to understand our guidelines and procedures if you have not already attended one.

1. The information will be listed for 30 days or until you inform Orange County Housing that the unit is no longer available. At the end of the 30-day period your property will be removed from the list.
2. Once your property is listed, prospective tenants contact you directly.
3. There is no guarantee that a tenant will select your unit.
4. The landlord is responsible for screening prospective tenants.

Once the form is filled out and submitted, properties will be released every **Monday and Wednesday at 5 PM.**
